NO. 117

COURT REFUSES TO GRANT INJUNCTION AGAINST FIGHT

Adjutant General Lauck.
Buchnell Photo

Following is the order issued by Governor J. N. Gillett to Adjutant-General Lauck of the National Guard of California:

"Make necessary arrangements at once to have two companies of militia in San Francisco at 2 p. m., Saturday, June 18, to prevent a prize fight between Kaufman and Langford if police of city do not interfere.

"J. N. GILLETT."

SAN FRANCISCO, June 17. — Superior Judge Van Nostrand at 3:35 p. m. declined to grant a temporary injunction against the Langford Kaufman fight tomorrow afternoon, refusing the petition of Attorney General Webb. The matter of stopping the fight is now up to the Governor.

WIRES GENERAL LAUCK FOR TWO COMPANIES TO STOP BOXING BOUT

SAN FRANCISCO, June 17.—"So far as this administration is concerned it positively means the end of prizefighting in California," said the Governor late today.

"There will be no more fighting in Los Angeles or any other place in this state while I am Governor. All the troops necessary will be ordered out to stop it if the troops refuse to act."

SAN FRANCISCO, June 17.—State troops will be used to prevent the Langford-Kaufman fight tomorrow.

This was the order by Governor Gillett today.

Following is the Governor's order to Adjutant-General Lauck:

"Make necessary arrangements at once to have two companies of militia in San Francisco at 2 p. m. Saturday, June 18, to prevent a prize fight between Kaufman and Langford if police of city do not interfere.

(Signed) "J. N. GILLETT."

Governor Gillett also sent a letter today to District Attorney Fickert of San Francisco explaining his action in ordering out the state troops.

He said that Fickert's failure "to perform the duties of his office," compelled him to act.

The action of the Governor followed a conference with Attorney-General Webb, Adjutant-General Lauck of the state militia; Colonel Pippy of the Governor's staff, and a major of the regular army.

Blot declared that he had no intention of

GOVERNOR J. N. GILLETT, who has ordered two companies of militia to be in readiness to prevent the Langford-Kaufman fight in San Francisco tomorrow afternoon.

stopping the contest because of the soldiers.

He added that his plans for holding the contest were not mapped out fully, but that a definite line of action would be decided after further conference with his attorneys.

"We are distributing our tickets and will continue to sell them despite all efforts of the Governor and his assistants to prevent it.

"The contest will come off as advertised—of that assure yourself.

"The Kaufman-Langford contest is absolutely within the law, and we propose to go ahead, knowing that we are strictly within the limitations of state regulations regarding glove contests."

"Do you mean by that, Mr. Blot," was suggested, "that the local authorities will aid you in pulling off the match?"

"When the time comes, you will know further about that. At present I do not deem it expedient to give out anything further on the subject."

The order to call out the troops came as a complete surprise to the city. The Governor was believed to have gone to Sacramento early today, as he

FIGHT MAY GO TO GOLDFIELD; GUARANTEE RICKARD \$120,000

Must 'Lick' State First, Says Gillett

"When they lick the state of California," said the Governor in commenting on the official telegram he had sent to General Lauck "they can go ahead and lick each other, but not before. We've had enough of prize fights and prize fight promoters. They've been breaking the law long enough, and we'll have no more of it."

could not be found at his hotel and his luggage had been taken away.

He had gone to the Attorney-General's office very quietly and the first news of his presence there was when the report of the call for troops dropped out.

General Lauck had come from Sacramento in the meantime and was staying at hotel. He would not say why he had come, but it is surmised that he was advised last night that some action involving the troops was contemplated.

At his hotel after the conference Lauck said he had received instructions from the Governor, but could not make them public.

He intimated that he would give out the order when he was prepared to announce what troops he had directed mobilized in San Francisco.

Governor Gillett issued the following formal statement:

By J. N. Gillett

I notice that District Attorney Fickert, in his reported interviews, complains about stopping the fight at this late hour, and others, too, are making the same criticism. In reply to all these complaints I wish to say that the press of this country has not reported me correctly. For instance, one of the Chicago papers published an interview with me which never took place, wherein I was made to say that the fight would be a big thing for San Francisco, that it would cause many people to go there and spend much money.

MADE WRONGFULLY.

In this way I have, in one sense, been made wrongfully an advocate of that which I don't believe in. Before leaving for the east on May 1 to assist San Francisco in securing recognition

CITIZENS ARE PLEDGED TO PURCHASE 6000 TICKETS; \$20 EACH

Promoter Elated Over Offer and Says
He Will Leave Sunday Unless Assured
of Non-Interference Here

GOLDFIELD, Nev., June 17, 1910

TEX RICKARD, St. Francis Hotel, San Francisco.
City of Goldfield guarantees sale of 6000 \$20 seats. Fight take place here. Has three railroads back of her. Come back to your first love. Answer immediately.
MORRIS J. SULLIVAN.

SAN FRANCISCO, June 17. — Tex Rickard announced this morning on receipt of a telegram from Morris Sullivan of Goldfield, Nev., that the Jeffries-Johnson fight probably would be held there on July 4. Sullivan guaranteed \$120,000 to the promoters.

Swamped with protests from Reno and Ely, Tex Rickard late today stated that he would meet committees from these towns on Sunday night at Reno to allow them to file definite offers for the Jeffries-Johnson fight in opposition to that advanced by Goldfield, and which he accepted this morning.

Rickard's acceptance contained a qualifying clause and the committees hope to avail themselves of this. In the meantime the fight is destined for Goldfield. Goldfield will be represented also.

Rickard will go to Reno Saturday night.

SAN FRANCISCO, June 17.—While all California is on the anxious seat, while San Francisco is making its last effort, and while the sporting world looks questioningly on, the big Jeffries-Johnson championship fight is gradually but surely slipping out of the grasp of the metropolis of the Pacific Coast.

As soon as "Tex" Rickard, the fight promoter, who has most at stake and who has suffered the greatest financial injury by the onslaught of Governor Gillett, arose this morning a telegram was placed in his hand which caused him to make an immediate investigation, and which makes it seem more than likely that Goldfield will be the scene of the world's greatest fist combat.

Morris J. Sullivan, one of the most prominent hardware merchants of the Sage Brush State, wired Rickard that he was ready to guarantee \$120,000, and as this practically means "making ends meet" for the fight promoters, they are rather inclined to seize the opportunity.

Delay in Injunction Proceedings

Almost simultaneously with the receipt of this dispatch came the announcement from the Attorney General that he would, he believed, be forced to delay action in the matter of the injunction until tomorrow morning. This once more dashes the hopes of those who are trusting to have the battle in the metropolis, and throws cold water on the chances of an immediate settlement of the legal point involved.

Rickard was elated at the receipt of the wire from Goldfield,

(Continued on Page 3.)

WOMAN USES GASOLINE ON FIRE; THREE BURNED

Mrs. Rowland of Oakland and Two Children Are Fatally Injured.

MISTOOK FLUID FOR CAN OF COAL OIL

Mother and Infant So Most Seriously Hurt; All in Hospital.

SACRAMENTO, June 17.—Mrs. H. Rowland of Oakland and her 3-year-old son Herbert were fatally burned and her daughter, Anna, aged 12 years, severely injured in a fire this morning that destroyed the home of Mrs. E. Meyers, 3112 Madrone avenue, Oak Park, where Mrs. Rowland was a guest.

The blaze was the result of Mrs. Rowland mistaking a can of gasoline for a can of coal oil.

She had gone to the kitchen with her two children to start the morning fire. It did not burn brisk enough to suit her and she sought to encourage it with what she supposed was coal oil.

GOT CAN OF GASOLINE.

Instead she picked up a can of gasoline and as soon as she poured it on the fire there was an explosion and the burning fluid was scattered about the room. Herbert, who was dressing near the stove, was literally drenched in the blazing fluid. His mother in a frantic effort to save him, although herself enveloped in flames, became practically a human torch.

The daughter Anna was burned about the hands.

The victims of the affair were taken to the county hospital, where it is declared they cannot live.

Mrs. Rowland is the wife of a Southern Pacific conductor and was here with her children on a visit.

Mrs. Rowland is the wife of Robert G. Rowland of 1474 Ninth street, city, and went to Sacramento about six weeks ago to visit with relatives. She and the two children were expected home next Friday. Mr. Rowland left for Sacramento at noon today.

Borrow Wins Stakes At Ascot Heath

ASCOT HEATH, England, June 17.—The Windmill Stakes of 15 sovereigns each with 400 sovereigns added, for 2-year-olds, five furlongs, was run here today and won by H. P. Whitney's Borrow. The Queen's Maids fill was second and the Clerk's colt third. Thirteen horses ran.

STATEMENT IS ISSUED BY GOVERNOR GILLETT, EXPLAINING HIS ACTION

He Goes Into Details as to Reasons Why He Ordered All Prizefights Prevented in California; Tells of Boxing Game in State

(Continued from Page 1)

from Congress for its Panama-Pacific Exposition, the Johnson-Jeffries fight was scheduled to take place in Alameda county.

I learned that the local authorities were investigating it; and I then said that the State ought not to do police duty in a municipality so long as the local authorities were discharging their duty and were able to cope with the situation.

ALAMEDA COUNTY.

I understand that the promoters of the fight were told that they could not hold it in Alameda county because it would be a violation of the law, and the fight was then transferred to San Francisco. It was then up to the District Attorney of San Francisco to make the same investigation that was made by the District Attorney of Alameda county, and he was requested to do so, as I am informed. I was in the east five weeks, returning home on the 6th of June.

BECOMES DUTY.

On June 9th I was advised that District Attorney Fickert had declined to take any steps to stop the fight. I immediately commenced to investigate the law and to secure evidence. In two or three days thereafter I called up District Attorney Fickert and he told me that he would not do anything to stop it.

The local authorities of San Francisco refusing to take any action, it then became my duty, as Governor, to do so, and inside of twenty-four hours I prepared my letter to the Attorney General and instructed him to take the necessary steps to stop the fight.

PROMPT ACTION.

I consider that there was no delay, but prompt action after I learned that the District At-

ney of San Francisco had refused to do his duty. But it is no excuse for the commission of a crime that the officers of the law were slow to stop it.

Men have no right to come into this State and deliberately advertise to the world that they propose to openly break its laws, and if they are prevented from doing so they have no right to complain that they have spent money which they will lose in their endeavor to do so.

Special to THE TRIBUNE.

JEFFRIES TRAINING CAMP, Rowland, Cal.—Oakland Tribune, Oakland, Cal.: When Jeffries was informed that the Governor had ordered the militia to prevent the Langford-Kaufman fight tomorrow afternoon, he said: "I am sorry to hear that. It makes it look blacker for us. In fact, I am sorrier for Rickard than for anybody else, and I think that the action of the Governor, taken at this late day, is not at all fair to either the principals or the promoters concerned. It makes little difference to me, as I told Rickard I would fight any day for him."

"Do they call it religion to allow a man to risk his every penny on a business proposition, only to crab his game at the eleventh hour. If they do, I'm afraid that the definition of the word has changed considerably since my daddy used to teach it to me."

"I will not say any more about it until I hear definitely from the promoters. It may be that our fight is not driven out of Fresno yet. I believe in hoping. However, I cannot help expressing my disgust at the action of the Governor, if he has taken the action I am told he has."

Webb Ready to Block Attempt to Stage Fight

By U. S. WEBB
Attorney General of California.

I am afraid we will not be able to file our papers in the action to stop the Jeffries-Johnson fight before tomorrow morning.

In view of the fact, however, that the Kaufman-Langford contest is scheduled for tomorrow, I will endeavor to be ready to present my application for a temporary restraining order late this afternoon.

It is possible that I will also be ready in the Jeffries-Johnson controversy, but I don't think so.

The situation, as far as my attitude is concerned, remains the same as yesterday. There will be no fight in California, and we are prepared effectually to block any attempt to stage the battle.

Salmon Output Sold Out for the Season

TACOMA, Wash., June 17.—So active has been the demand for canned salmon futures that Puget Sound salmon packers and brokers, for the first time in the history of the canned salmon business, are refusing to book orders for future Alaska red, medium red or pink fish. The entire 1910 output yet unpacked is said to have been sold. So indifferent are brokers about obtaining new business that one broker, in his last circular to the trade, says:

"Please do not make an offer on Alaska red, medium red or pink futures. I do not want to book orders for such fish. Later, when I have some fish to offer, I will advise you. Expect to have some pink and chum to offer, also Cohoes, but do not want any business at present. Avoid spending money for useless telegrams. Let futures rest for the time being."

That brokers should be so indifferent about booking orders for future salmon is considered most unusual. Yet the packers declare that it merely reflects the steadily increasing demand and popularity of canned salmon.

Interest Is High In Richmond Show

LONDON, June 17.—Interest in high-class horseflesh and its accoutrements started today from Olympia to Richmond with the opening of the Richmond Royal Horse Show.

William H. Moore and Alfred G. Vanderbilt divided honors in the coaching Marathon. The former captured the C. V. Watson cup for the best private coach, while Mr. Vanderbilt was awarded the Tattersall cup for the most meritorious road coach. There were ten competitors.

Some men find it easy to shift their burdens, but impossible to shift their heads.

GILLETT ACTION ANARCHY, DECLARES FIGHT PROMOTER

Gleason Says Calling Out of Troops Is Hail Back to the Days of Barbarian and Savagery

SAN FRANCISCO, June 17.—Governor Gillett's order to Adjutant-General Lank calling out the militia has caused a great deal of comment among the sporting fraternity, and Jack Gleason, who is hoping against hope that the fight can yet be pulled off in San Francisco, is talking of anarchy and barbarism.

"I cannot see where the Governor is superior to the law," he declared in an interview. "The law which he has quoted permits sporting exhibitions, and this is what we are going to give. Why, his action seems little better than anarchy. It is talk about calling out the militia and this action of the Governor brings us back to the days of barbarism."

"I still think we may have the fight in San Francisco. And I believe in anything else. We are going forward now solely on the advice of our attorneys, and we will abide by their decision. Personally I think we have it and the law on our side."

LAUCK RETICENT.

Adjutant-General Lauck when seen at the Palace Hotel, where he is proved to be involved in the matter, refused to comment. He refused to confirm Governor Gillett's order that two companies of militia be held in readiness for immediate action.

"I cannot say anything without the Governor's permission," he asserted, but

a moment later practically admitted the order when he was asked:

"Which companies will you send?" "He replied: 'I don't know yet. I haven't decided.'"

Colonel Pippy of the Governor's staff has also practically admitted the order, and Attorney-General Webb stated that while he understood an order of that nature had been given to the adjutant-general, it did not constitute a formal calling out of the militia.

TROOPS READY.

"It is merely an order to be prepared," stated the attorney, "and the troops would merely be ready in the event that trouble was encountered, or that the police should refuse to obey the mandate of the state official. Similar orders are frequently conveyed to hold the militia within call."

Despite heroic work upon the part of the staff in the adjutant-general's office the papers in the restraining order and injunction matter for the Kaufman-Langford contest were not ready in time to be filed at the opening of court this afternoon, and in the office of that official in the Humboldt Bank building the statement was made that they could not be presented until 4 p. m.

The fight promoters and their counsel were busy engaged in considering steps necessary to be taken and deciding on just what their final action will be. Everywhere throughout the city the Governor's latest step in ordering the militia to be ready is the one topic of conversation and speculation.

NAME ARCHITECT BEFORE JULY 1

Announcement Made Concerning Building of New City Hall for Oakland.

The thousands of good citizens of this city who, for years, have hoped and even prayed for a new city hall for Oakland, which should not be inadequate to the needs of this municipality, and the butt of every low comedian who travels eitherward, it will be grateful news to learn that the selection of the architect for the new structure will be made on or before July 1.

There are several other pleasing facts in connection with this announcement and one of these that all competitive plans from architects in all portions of the country have received and are now in the possession of John Galen Howard, the architectural adviser of the Oakland Board of Public Works, whose home is in Berkeley.

JURY MEETS MONDAY.

More than that, the jury for the passing upon the plans to determine which is the best design and most adapted to the needs of the building, is to be organized and will meet Monday, at the office of the adviser in the University of California.

There are twenty-eight plans received. This was the maximum expected for the reason that no architect is to be considered a competitor unless he was invited to compete by the architectural adviser and board. There were twenty-eight such invitations issued and every one of the architects so treated realized that he or his firm had been honored and has forwarded plans for the proposed new structure.

MODEL PLANS MADE.

As all the invited architects are men distinguished in their profession there is every reason to believe that the best plan which comes out of a competition of this kind will be the kind and a source of pride to Oakland, as the present structure, for many years, has been a shame and a reproach.

There is to be expended on the new structure \$1,000,000 and, as a consequence, it can easily be seen that the architects from various parts of the country felt that there was something worthy of their best efforts in the profession.

The plans in question have come from San Francisco, New York, Chicago, Philadelphia, Oakland, and being liberal representation given to all architects, both in the East as well as in the West, for the reason that the purpose of the Board of Public Works was to secure the best in design and capacity with the money at hand could command.

In view of the fact that the selection of an architect will be made at the latest the first of next month, it is not improbable that the selection will be made.

SIMILARITY.

Authorize Reclamation Debt of \$20,000,000

WASHINGTON, June 17.—The House Ways and Means committee today acted favorably upon the bill authorizing the issuance of certificates of indebtedness for reclamation work after amending the measure making the amount of certificates \$20,000,000, instead of \$30,000,000, and limiting the use of the money to completion of existing projects. The approval of the President to the report of the engineers is required.

Thanks Extended For Publishing Work

Editor TRIBUNE: I have been instructed by the State of Maine Association at its annual meeting held June 11, 1910, to express to you a vote of thanks which was taken in the meeting for the notices which you gave in your paper concerning its thirty-second annual reunion. Thanking you again, we remain, STATE OF MAINE ASSOCIATION, By H. J. SHORE, Sec'y.

New Electric Line Arouses Interest

ELABORATE June 17.—Interest is being taken here in the proposed new electric line that will connect East Fourth street with Fair H. street. The new line will run along Grand avenue to Taylor Heights, and it is said that Henderson & Tanenbott, the owners of the tract, will finance the project.

The residents of the district have asked that the street be improved so that there will be a liberal width of street on either side of the tracks.

At 87 Must Steal to Earn His Living

PITTSBURGH, Pa., June 16.—After spending a great part of his life in various penal institutions, each sentence being imposed for house-stealing, Peter Zimman, an alien Jew, aged 87 years, was released from the Western penitentiary after serving a ten-year term.

ATTEMPTS SUICIDE, SWALLOWING PINS AND RAW ALCOHOL

SAN DIEGO, June 17.—Bent on putting an end to her existence a woman named Vevie Ford was found today with raw alcohol late yesterday afternoon.

The police were notified and forced the woman to be suid into the patrol wagon and she was lodged with great difficulty in the woman's ward of the county jail, where an attending physician said there was a chance for her recovery.

Labor Department Favored by House

Committee Brings in Report on New Officers for President's Cabinet.

WASHINGTON, June 17.—The House committee on labor today decided to report favorably a bill creating a department of labor with a seat in the President's Cabinet.

Manslaughter Verdict Against Hal Hardy

LOS ANGELES, June 17.—After deliberating thirty hours the jury which heard the evidence in the Hal E. Hardy murder case returned a verdict of manslaughter today.

Hardy, who comes of a prominent Indiana family, was charged with having shot William Moore, keeper of a tamale stand, because the latter refused to give him a tamale. Evidence to support the claim that Hardy was insane as a result of heavy drinking was introduced by the defendant's attorneys and among its depositions from prominent Indianaans.

able that the inception of actual work in the construction of the building may take place by the middle of September or the first of October.

MAKING THE AWARD.

The award is to be made by a jury consisting of seven men, three of whom are to be Mayor Mott, City Attorney Watson and City Engineer Turner, comprising the Board of Public Works; the architectural adviser of the board and three architects selected from the names of six professional brethren suggested by the adviser, the selections being made by the votes of the architects in the competition.

HEAVYWEIGHTS TO CLASH IN SOUTHLAND TONIGHT

Ferguson and Barry Are to
Box Ten Rounds Tonight
Without Interference.

PROMOTERS DIG UP
SUPPORTING DECISION

Distinction Is Drawn Between
Present-Day Bouts and Old
London Rules.

LOS ANGELES, June 17.—Sandy Ferguson of Boston and Jim Barry of Chicago will box ten rounds tonight before the Pacific Athletic Club. Although each pugilist is confident that he will score a knockout, it is not expected that there will be any attempt at interference, because of the low limit placed on the number of rounds and the fact that the referee is not empowered to render a decision if both men remain on their feet. Ten-round boxing contests are permitted by a city ordinance.

Local fight promoters have dug up a decision rendered by Superior Judge Smith in this city in 1903, which they declare obviates any interference on the part of the State executive with limited round contests. The Los Angeles Council in that year passed an ordinance prohibiting boxing in any form and making it a crime to attend a fight. The ordinance was ignored, a fighter was arrested and the case was taken before the Superior Court on a writ of habeas corpus.

LIMITED CONTESTS PERMITTED. Superior Judge Smith held that the ordinance was invalid, that the State law expressly permitted boxing contests for a limited number of rounds and the city had no right to restrict the privilege.

Attorneys for the promoters contend that a boxing contest is under the law, one in which the participants wear heavy gloves and spar for a certain number of rounds, while a prize fight is an affair conducted under the old London prize ring rules in which the round ends only when one of the fighters is knocked down and the men wear no gloves.

City attorney Hewitt holds that the distinction between a prize fight and a boxing contest is extremely hazy, but that the present city law is clearly intended to permit ten round bouts.

BUILDING BILL AGREED UPON. WASHINGTON, June 17.—The public business bill, carrying authorization for \$19,500,000 and an additional \$2,000,000 for continuing contracts, was agreed upon by the House committee on public buildings and grounds today. The bill will be reported to the House early next week.

Johnson Willing to Fight at Goldfield

(By JACK JOHNSON)
"From Rickard's offer of \$120,000 received from Goldfield today it looks to me as though we would fight in that city. As I have said I am willing to go anywhere Rickard wants, and he holds the land to decide the place of the contest."

"I have been out on the road this morning training as usual, but if we went to Nevada I naturally would want to go to a high altitude."

NEVADA TOWN CAPTURES JEFF-JOHNSON CONTEST, GUARANTEEING \$120,000

Goldfield Merchant Wires Rickard That
Citizens There Pledge Themselves to Buy
6000 Tickets at \$20 Each

(Continued from Page 1)

which he immediately proceeded to show to his associates, and which reads as follows:

"Goldfield, Nev., June 17, 1910.—Mr. 'Tex' Rickard, St. Francis Hotel, San Francisco. City of Goldfield guarantees 6000 \$20 seats. Fight take place here. Has three railroads back of her. Come back to your first love. Answer immediately. Morris J. Sullivan."

Rickard, speaking of his present plans and enthusiastic over the Goldfield prospects, said:

"This is the best yet. This wire from Mr. Sullivan, who is one of the most prominent merchants in Goldfield, gives me an opportunity to practically break even, or, with the very hardest luck, to come out with a fair profit when the pictures are taken into consideration. I want to tell you that I am going to stage this fight on July 4, and unless my attorneys can say positively that we are going to win in this legal controversy I pack bag and baggage and leave for Nevada Sunday morning. You can say for me that it looks now as if the fight would be held in Nevada. I don't want to say Goldfield, although that city looks to be first in the running now."

Reno Is Still Being Considered

"I have the best offer from there, although the Reno bid was good. I am not going to take any chances and I can't wait after tomorrow night. I must know then. Jeffries has consented to fight wherever I can arrange the details, but of course he wants to move to a higher altitude to complete his training. So, too, does Johnson. Both have assured me that they are with me in this controversy and regret the trouble and expense I have been put to. As I have said, if it costs every dollar I possess, the fight is going to be put on on the Fourth. I don't think the Governor had any right to come out this way at the last moment. I don't believe that there are two other officials in the State, with the exception of the Governor and the Attorney General who want to stop the battle. It's all a question of politics, and I consider that I have been done a personal injury."

Must Be Absolutely Positive

"Now you can say for me that before I have investigated this Goldfield telegram that there's a pretty good chance that we go there."

After making his statement regarding these latest developments in this paramount question, Rickard was asked by THE TRIBUNE representative as to whether he would remain here if his attorneys assured him that he had a good chance to win his fight in the courts.

"A good chance is not enough," he responded. "I am not going to take any chance. I must be absolutely sure. I must begin to build my arena, and I am not going to postpone the date of the contest. If my counsel cannot say for certain, and beyond the possibility of a doubt by tomorrow night that we can put on the fight in San Francisco, I go to Nevada on Sunday. You can say that it will be Nevada, but I am not positive of the city."

Reno and Goldfield Compared

In connection with the likelihood of the fight going to Reno as against Goldfield it was explained by the promoters that Reno had offered the license which represents \$1000, free, and had consented to construct the arena. The latter represents an expense of about \$15,000, so that Reno's chances at present, as compared with Goldfield, may be represented in the ratio of \$16,000 to \$120,000. However, Reno is on the main line, and according to Rickard that might make \$50,000 in the gate receipts.

That it would not change the situation more than that is pointed out by reason of the fact that all those at Reno who desire to attend the match would not hesitate to go to Goldfield, whereas most of the outsiders might as well travel a little farther on.

An effort was made to see Governor Gillett this morning, and to endeavor, if possible, to get him to make the statement which he had promised for last night, but which he refused even though he

MANY ESCAPE DEATH WHEN ENGINE IS DERAILED

Locomotive on Seventh Street
Local Ploughs Way Across
Street.

STOPPED JUST BEFORE
LODGING HOUSE IS HIT

Rock on Track Supposed to
Have Been Cause of the
Accident.

At 1:55 o'clock this morning the engine of the last east-bound local train on the Seventh street line was thrown off the track by a rock, between Broadway and Franklin streets and crashed into the curb. Had it gone five feet further it would have demolished the Schaffer building on the north side of that thoroughfare, and doubtless have caused the loss of a number of lives. At the time, the building, the upper story of which is used as a lodging place, was filled with a number of sleepers who were in ignorance of their danger. The engine was seen to be running for a distance of at least 150 feet before it was brought under control, although it is understood that the air was applied at the earliest possible moment after it was discovered that the locomotive was off the rails. The engine, No. 2076, was in control of Engineer William Skinner and Fireman Kelley.

COMPELLED TO WALK. There was a large number of passengers aboard, regardless of the late hour of the morning. The passengers at the time of the accident were on the east side of the bay whose place of abode are in East Oakland, Fruitvale and Melrose. All these were compelled to either walk to their homes or else find lodging places in the heart of the city.

The wrecking train was ordered to the scene from the W at Oakland yards and about 4:10 o'clock this morning the errand engine was pulled back upon the tracks and drawn to the repair shops.

The derailment was occasioned by a rock on the track. Whether the impediment was placed on the rail with malicious intent or rolled over upon the rail by an auto or other passing vehicle is not known.

RUNS FIFTY FEET. The train left the rails immediately opposite the Hoffman cafe and ran for a distance of fifty feet along side the rails. It then served gradually to the north for an additional fifty feet and making a sharp curve started for the curb. The engine roared and rattled as it plowed through the ground, the hardness of the macadam preventing the turning over of the locomotive. The wheels of the tender crashed into and crushed the concrete curb immediately in front of L. E. Feene's grocery and fruit store at 468 Seventh street while the pilot of the tender extended over the side, up to within a few feet of the Pull (Gospel) Mission, next door to the east.

This is the first accident of the kind which has occurred in the history of residents in many years during which time tens of thousands of trains have run up and down Seventh street.

Many Flee to Parks To Escape Fierce Heat

CHICAGO, June 17.—Prisoners due to oppressive heat, we had a nervous street today. The city today, shortly before noon the weather bureau reported "hot degrees and rising," while at street levels as high as 90 degrees were registered. Thousands of women and children fled to the parks for relief.

was called upon the telephone as late as 2 a. m. this morning. He, however, told personal friends that he had said his say, and that "the matter was now up to the Attorney General for legal action," and that if the courts decided against the stand taken by him it would be time for him to make another statement and to consider other measures.

Gloom Cast Over Sporting World

The declaration by Attorney General Webb that the papers would not probably be ready today caused further gloom in the camps of sportdom. Another precious twenty-four hours has been taken out of the short space of time left for them to combat the legal obstacles placed in their way by the State. When it is considered that Rickard has given his ultimatum, and that Sunday will see him shaking the dust of San Francisco from his feet, the critical nature of the delay may be realized. If the papers are filed early tomorrow morning it will be impossible for counsel for the fight promoters to even make reply until Monday, and the likelihood of a Supreme Court decision in the event of an appeal which one side or the other must take before June 27, one week before the fight, is very improbable indeed.

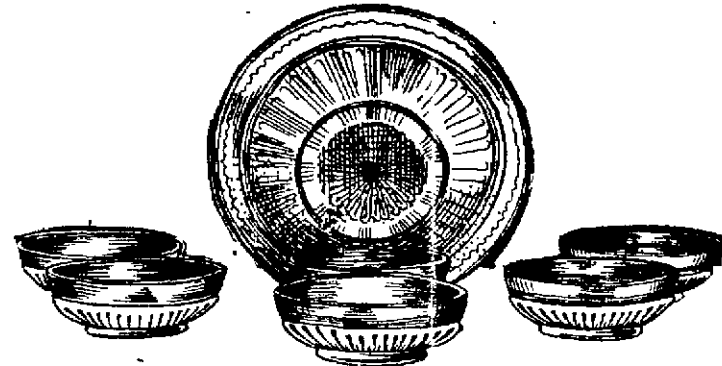

Thus the chances of San Francisco securing the battle, in view of the Governor's refusal to recede from his stand, are gradually sinking into nothingness, while Goldfield may again be the scene of a championship struggle, the like of which the world has never before witnessed.

Sure to Come Out Ahead

"If I go to Goldfield under this offer," said Rickard later in the morning, "I can assure you that I if I lost at all it would be but scarcely more than \$25,000 which the fight pictures would more than make up to me. This \$120,000 offer is indeed a good one."

Even the partisans of Governor Gillett and the public generally, with the exception, of course, of a few firm minded opposers of pugilism, believe that a mistake has been made by stopping the big battle at this time. Could the fight be permanently prevented from taking place many of them would be in favor of the Governor's action, but if the general consensus of opinion, as gleaned from the street cars, the clubs, the theaters, and the resorts where men congregate, may be received as accurate, all agree that the interference was inopportune, and that the transfer of the scene from California to Nevada is unfortunate, if not disastrous.

The business men who have subscribed so liberally to the Panama-Pacific Exposition, the hotel men and many of the private citizens are affixing their names to the several petitions that are being busily circulated round about, but it is thought that this can do but little good, and that a miracle of providence is all that will save the situation for San Francisco and California.

Colonial glass berry set 65c

The Jackson Saturday special

A dainty pretty thing; Bohemian glass, as illustrated; 9-inch Berry Bowl and six 4 1/2-inch individual Dishes. On sale all day Saturday. Terms cash; no telephone or C. O. D. orders. No delivery

EVANGELIST GLAD BIG FIGHT IS OFF

Rev. Dr. Hill Says Religious
Meetings Will Not Be Held
to Offset Match.

NEW YORK, June 17.—Rev. Dr. John Wesley Hill, head of the organization recently formed here to carry on a crusade of prayer and agitation against the Jeffries-Johnson fight, has issued a statement expressing great satisfaction over the fact that the fight has been called off so far as California is concerned.

Dr. Hill says: "The action of the Governor of California in calling off the Jeffries-Johnson prize fight is a triumph for law and order for Christian civilization. Whatever State allows the fight will become a refuge for the refugees."

"Of course now the evangelistic meetings which we planned to hold in San Francisco at the time scheduled for the fight will not take place. They had been arranged as a last resort. The law has done what we had planned for the gospel to do."

Bribery Case Called Before Committee

Resolution Providing for Investigation Will Be Drawn Up Tomorrow.

WASHINGTON, June 17.—A meeting of the committee on privileges and elections has been called for tomorrow to consider bribery charges in connection with the election of Senator Lorimer of Illinois.

It is expected a resolution will be reported providing for an investigation.

JEFFRIES BREAKING CAMP FOR TRANSFER TO NEVADA

**Big Fighter Anxious to Get at Negro;
Followers Pack Grips for Hasty Trip
to Sagebrush State**

(SPECIAL TO THE TRIBUNE.)

JEFFRIES TRAINING CAMP, Rowan-
dennan, Cal., June 17. — Preparations
for the breaking up of Jeff's camp are al-
ready under way. The last hope of a
compromise, whereby the fight could be
held in San Francisco has been prac-
tically abandoned by Jeff and his at-
taches. Nevada now holds the attention
of the big fighter's trainers and friends.
The belief that a compromise would be
made prevailed up to last night when
Sam Berger arrived from San Francisco
for a conference with Jeffries. Berger
admitted that things look very dark and
aid that arrangements were being made
to hold the big mill in Nevada.

Jeff will break camp with Rickard and
Gleason and will fight July 4th, probably
in Reno," he said after discussing the
situation with the champion. "It may
play havoc with the gate receipts to hold
the mill in Reno, but that is up to the
promoters."

RETURNS FOR CONFERENCE.

Berger returned to San Francisco for
another conference with Rickard. Berger
aid before leaving that as soon as it
was definitely decided to hold the fight in
the Nevada city Jeffries would leave Bon-
dion at once.

"It won't take more than a day for
him to get out of here and shake the
dust of California from his heels," said
Berger.

It is not believed here that Jeffries
will leave Bon Bondion before Monday
or the earliest as preparations have been
completed for his sparring with Corbett
at the opening of the Casino at Santa
Cruz Sunday.

Corbett left for San Francisco at 1
o'clock today, intending to return Satur-
day night. He denied that his trip to the
metropolis was in connection with the
fight situation, declaring that private
business took him to the city. He ad-
mitted, however, that he intended to hold
a conference with the promoters and
others interested and report to Jeff what
occurs.

NEW SET OF ARTICLES.

The general impression among Jeffries'
raining partners is that if the fight is
held in Nevada a new set of articles
will have to be drawn up and a new for-
eign posted. As to the belief that the
parse of \$100,000 hung up for the San
Francisco fight will be cut down ma-
terially, Berger would not discuss, de-
claring that it was a matter for the
promoters. He declined to say whether
or not Jeff would fight for less money
than was originally offered. Jeff him-
self refused to discuss this phase of the
situation in any form, merely declaring
that he was awaiting developments and
word from Rickard and Gleason.

Jeff was up early this morning and in
company with Harry Monahan and
James Corbett went down to the San
Bernardo river with a small rifle to hunt
chipmunks and squirrels. The change
in plans has made the day follow more
calmly than even. And whereas he was
in the and forest yesterday, today he
is drawn within his shell and says
nothing. After an hour's work in the
sun yesterday he jumped into his auto
with John Bell, a friend of many years'
and his brother Jack, and
rained off with out and garbanc, re-
marking that he did not care to box he-
re members of Johnson's camp, who
were present at the time.

GO AFTER TROUT.

The party left a little after 2 o'clock
and did not return to camp until after
6 o'clock. They left the machine a few
miles from camp and whipped the stream
during the afternoon, getting in bagful
all of trout. When out with his rifle
off is jovial and full of spirits. At such
times talkative.

"I wish the fight was tomorrow," he
old Bell, "for the next day, I would
like a day to dry out. I'm dead anxious
to see that scamp and will fight the nigger
any old place."

He intimated that he was ill pleased
with the change to Nevada, but it is
his general opinion among his trainers
that he will be better able to stand the
altitude of Reno than Johnson.

"Jeff has always been around the
mountains and is a good pair of lungs,"
said Rodgers Corbett, "and I think he
will have the advantage in the high
black. Johnson is not used to the moun-
tains, whereas Jeff is. I can remember
many times when Jeff has hiked up to
8,000 feet or more and when we were
blewling and puffing and nearly fagged
out he would be as fresh as a kid and
would say, 'Well, let's start back.' John-
son, on the other hand, is used to sea-
level, and the higher altitude may affect
him."

Choyne expressed the same view,
adding that he would like to see Jeff
have a week or two in the new camp to
become used to the change.

PORTER ASHE VISITS.

Among the visitors in camp today was
L. Porter Ashe, who came up from

BERKELEY TO USE BOTH REGISTERS

**Double Work Is Necessary to
Verify Names of Petition
Signers.**

BERKELEY, June 17. — City Attorney
Frank D. Stringham advised City Clerk
Richard Johnson this morning that both registers
he new one which went into effect Jan-
uary 1 and that of 1908, will have to be
used in the verification of names of
signers of the Davis Initiative petition.
Jeffries upon the City Council met an
election day for a vote on the proposed
ordinance.

Stringham has carefully investigated
the legal points involved in the technical-
ity and has found that if the Council
set the election date for a day on or
before August the old register of two
years ago could be used under the State
law, but if the election date falls after
August, only the new register can be
used.

On account of the complication, String-
ham advised Seaborn in the verification
of the names on the Initiative petition,
to use both registers in order to be on
the safe side. In the event that he elect-
on date is fixed.

The work of verifying the names on the
petitions with both registers will double
the work falling upon the shoulders of
the city clerk and his assistants, and
double the time will be required in the
verification of the names.

It is probable that Seaborn will go to
Oakland to verify the names, as the
Council will not stand the expense of
having a copy of both registers made for
the purpose of checking up the names
on the Davis petition.

Santa Cruz and held a conference with
Edward Wehrle, Jeffries' personal at-
torney.

A special train bearing more than 100
delegates to the California Presidential
Postmasters' Association convention,
which has been meeting at Santa Cruz,
arrived this morning at 10 o'clock and
and their wives thronged the camp look-
ing for Jeffries. The big fighter, how-
ever, does not like inquisitive throngs
and remained discreetly in his room along
with his trainers and friends. He gave
rod. C. F. Baldwin, newly elected presi-
dent of the association, was in charge of
the party. W. H. Harris, retiring presi-
dent, was also along.

The telegraph office at Rowandennan
was the most popular place in camp to-
day, a throng of sporting men filling the
little log cabin, eagerly awaiting news
which would confirm the report of the
Bacon deal. Many sporting men are pre-
paring to leave for San Francisco to see
the Kaufman-Langford bout if it is held
tomorrow.

Bob Armstrong, Jeffries' burly black
sparring partner, has a race as much as
money shooting craps that he intends to
leave for San Francisco tonight to watch
the mill tomorrow. A number of vis-
itors have packed their grips and trunks
in readiness for the time when Jeff
leaves.

Jeff was to have boxes with Corbett
this morning, but changed his plans in
favor of fishing. Although the big fellow
says he will continue training, his spar-
ring partners do not expect the water-
ing and his trainers are not in a good
mood.

Despite his assertions, Jeffries was
nervous throughout the evening, when the
news of Governor Gillett's action reached
camp, although he showed little emotion.
He separated himself from the turmoil of
the training camp and in the isolation of
his own quarters appeared to pass a
pleasant evening with his wife, sister-in-
law and brother. He gave a party to a
number of friends who stopped
for a minute while passing in an auto
and discussed the situation. He gave a
ber of newspapermen and personal friends.
Jeff seemed to think that personally Gil-
lett was not so much of a big concern,
but that the pressure brought to bear by
this "long hair," as he expressed it, had
brought forth the worst of the big mil-
lions of members of Jeff's training staff
however, were outspoken in their denun-
ciation of Gillett's action. Corbett, in
particular, was bitter.

"I cannot understand the Governor's
action," he said, "in fact, it is beyond
me. Gillett has got us into a bad fix. He
has deceived not only the principals in this fight but thousands
of others who have come to the fight
money expecting that the fight would
take place as arranged. Now, at the last
minute, he has changed his mind and
against the mill. This is just to every-
body. The people of the state in general
will not see the fight. It is their
privilege to see it if they so desire."

FIGHTING FOR YEARS.

"Why, there has been fighting in Cali-
fornia since I can remember. Many good
battles have taken place. I have seen
state and nothing has been said against
them. Here we have a championship
contest in which the dividers are
taking an interest, almost to the
point of a riot, and at the last minute we are
told that it will not be allowed. What
kind of a deal is that? At best it is
a pretty bad."

All the rest of Jeffries' corps of train-
ers and sparring partners expressed the
same views. A feeling of little more ac-
commodated. This feeling was reflected in
the little row of tents where the train-
ers were camped. They were all in a
boon of "placed on the mill" by Jeffries'
training camp as one and all expressed
it. About the time the news of Governor
Gillett's action was received, which was 2
o'clock in the afternoon, the camp was
in a turmoil. Many have been about as
to the attitude of the city, but when faced
to their action they were found to be un-
less the talk of a meeting of the cham-
pions in Reno predominant.

JEFF IS WILLING.

It is conceded that the matter is in the
hands of the governor and Rickard. That
Jeff will be willing to meet the big negro
in Nevada or elsewhere is a matter. When
Harry Monahan and Jeff were together
yesterday, the big fighter was in a
possibly one of the closest of his life.
Jeff's friends, broke the news of Gillett's action
to him. He followed it with the calm-
ness of a deal. At best it is a
pretty bad."

All the rest of Jeffries' corps of train-
ers and sparring partners expressed the
same views. A feeling of little more ac-
commodated. This feeling was reflected in
the little row of tents where the train-
ers were camped. They were all in a
boon of "placed on the mill" by Jeffries'
training camp as one and all expressed
it. About the time the news of Governor
Gillett's action was received, which was 2
o'clock in the afternoon, the camp was
in a turmoil. Many have been about as
to the attitude of the city, but when faced
to their action they were found to be un-
less the talk of a meeting of the cham-
pions in Reno predominant.

FOR ELDERLY PEOPLE

**How the Kidneys and Bladder
Cause Pain, Misery and
Discomfort, and How
They May Be Healed.**

No matter how apparent strong and
healthy you may be, as you approach
middle age there is a certain letting
down in the physical force, sure to make
itself felt. This is due to the fact that
the kidneys and bladder, the organs that
perform the work proper to them, and can not
perform their work properly, and can not
be restored to their normal ac-
tion. Weak kidneys, sharp backache,
frequent urination, sleeplessness, head-
aches, urinary irregularities and leadaches, with
a dry and bad tasting mouth, are all
symptoms that show the end of a tonic
and stimulant for the kidneys and blad-
der. Foley Kidney Pills, which exactly
needed at such a time. They are anti-
septic, healing and tonic in action. They
will give first a quick relief, then a last-
ing benefit, and will restore the pain and
annoyance that come from kidney and
bladder disorders, which make the
approach of old age a time of misery
and pain, instead of serenity and peace-
fulness. Foley & Company want you to
know that the stand and the Foley
Kidney Pills as a guarantee of their
efficacy in healing kidney and bladder
disorders, and for restoring healthy
vigor. Foley Kidney Pills are a real
boon to elderly people.

Mr. J. H. Smith, 420 So. 3d St., De-
troit, Ill., writes us: "I am 61 years of
age, and have just recovered from a very
severe and painful attack of kidney and
bladder trouble that had lasted for over
two years. I had great pains in my back,
my kidneys were constant were very
inflamed, and the only way I could pass
water was with the aid of a tube. Some-
times I could not pass a drop of water for
days. I bought a box of Foley Kidney
Pills, and got relief almost at once.
I can work every day now, and I
feel well. I have not had a drop of
water in my pocket at all since. I am
glad to say that Foley Kidney Pills have
been a great help to me."

THE LACE HOUSE
1212 AND WASHINGTON STS.
OAKLAND.

Chiffon
Auto Veils
all colors
\$1.75,
\$2.50 up

Strong, Convenient, Dressy

Handbags

Ladies' Hand Bags have become more
and more a necessity since pockets were
eliminated from dresses, and for the same
reason they have grown larger and larger.

Our summer line of Hand Bags is a dis-
play of novelties; the fashionable shapes,
the demanded sizes and colors; full range of
leathers, excellent workmanship inside and
out; the most real value for the money—

**\$1.25, \$1.50, \$1.75
and Up**

Fancy Straw Hats for Children

Pretty Straw Hats are particularly cool
and dressy for little folk in summer time.
But they must be made of material and in
such a manner that they will give good
wear. Our Fancy Straw Hats are both de-
sirable and durable—and the variety is such
as to please all—

50c, 65c, \$1.00 and to \$3.75

Exclusive Styles in

White Waists

**\$2.50, \$3.50, \$4.25
and \$5.00**

Each of these Lawn and Lingerie Waists
—and there are a few hundred of them—is
deserving of special mention. But to do
that is impossible, so we'll just tell you that
never were fine, sheer materials, lace, em-
broidery, tucking and plaiting used with
such charming effect as this summer, nor
has our stock ever been so replete with all
that's new. Other grades at 85c and up.

English "Piccadilly" Coats for Children

Exclusive, genuine English styles, made
of material of right weight for summer.
Checks, stripes and solid colors; some with
velvet collars and cuffs; all elegantly tail-
ored and decidedly "tony." Juvenile Coats
of quality priced right. Sizes 8 to 14 years.

\$3.75, \$6.50, \$7.50, and to \$12.50

Our Busy CorsetSection

announces the arrival of lat-
est models in "Kabo," "La
Reve," "W. B.," "Ron Ton,"
"Royal Worcester" and the
"Howd" front lacing Cor-
sets. Perfect fitting as-
sured. Grades from

\$1.00, \$1.50 to \$10

Extra Special Display of 1/2 price

About 50 excellent types
of stylish, trimmed Hats.
Your choice Saturday at

\$2.50, \$3.50, \$5

Newest of Summer Belts

No better belt satisfaction
anywhere than here. New clas-
ses in Persian, Dresden and
other novelties in full array of
colors.

50c, 65c to \$1.50

Embroidered Wash Belts,
pearl or gilt buckles.

20c, 25c, 35c to \$1.50

PHILLIPS ACTIVE IN CAMPAIGNING

**Candidate for State Printer
Wins Friends While at Work
in Oakland.**

Grattan D. Phillips, president of
the competitive Phillips & Co.
Company, the largest printing house west
of Chicago, is a candidate for the Re-
publican nomination for State Printer and
is making an active campaign for it.
His candidacy strongly appeals to the
voters of California, for Mr. Phillips has
the advantage of thirty years' experi-
ence as a mechanic and proprietor in
the printing business. He has traveled
all over the state and is thus widely and
favorably known, and has received the
heartiest endorsement of business men gen-
erally and of labor organizations through-
out the state. He has, moreover, the
endorsement of the entire administra-
tion.

Should Mr. Phillips receive the Repub-
lican nomination and be elected to the
office of State Printer, the state will be
assured an honest and efficient admin-
istration of the state printing office.

Attempted Mediation Rumored to Be Failure

Conditions Imposed by Ecuador
Proves Too Strict for Ac-
ceptance by Peru.

LIMA, Peru, June 17.—It was rumored
today that an attempted mediation be-
tween Peru and Ecuador had failed,
owing to the condition imposed by Ecu-
ador as a basis for the peace negotiations.
Both countries began several days ago,
the withdrawal from the frontiers of the
troops which had been massed when the
outbreak of hostilities was believed to be
imminent.

Dog Thief Made Away With Purse

DETROIT, Mich., June 15.—"I've lost
a pocketbook with \$50 in it," screamed
a voice over the telephone to police head-
quarters.

Motorcycle Policeman Raymond sped to
the address given and found Mrs. Mary
Fox much excited. Mrs. Fox was moving
and was certain that her money had
also moved, without her consent.

Raymond notified the detective bureau.
Detective Edward Fox had just started.
Then the police telephone rang again.

"We've just found the purse," re-
marked a feminine voice. "My dog got
hold of it and carried it into the
kitchen."

Merchants Cheating Themselves in Indiana

COLUMBUS, Ind., June 11.—George
Lewis, inspector of weights and meas-
ures, an office but recently created by
the city council here, has completed his
first inspection of the retail merchants'
scales and found unusual conditions. In
no case did he find that the scales fa-
vored the merchants, but in a number of
instances he found that the merchants
were getting the worst of it by reason
of their inaccurate scales, and in some
of these cases the merchants were un-
knowingly cheating themselves to the ex-
tent of an ounce in each five pounds.
The ordinance creating the office of in-
spector of weights and measures was in-
tended to protect customers.

Livermore News Notes.

LIVERMORE, June 17.—R. Hunter has
left for a three weeks' visit to Adams
Springs.

Miss A. M. Willard of Berkeley is
spending some time at Dos Meas.

Miss Kate Masenick of Oakland is
visiting at the Ryan home.

Mrs. H. Torruco and children have left
for Alhambra for a stay of several
months.

Mrs. R. Hunter is visiting in San Fran-
cisco.

Mr. and Mrs. S. F. W. and daughter
of Oakland were entertained by

friends during the week.

The W. T. Hanson family has depart-
ed for Auburn, where they intend making
their future home.

At a recent meeting the following of-
ficers were elected by the Farmers' War-
house Company: William Scholter, C.
Went, H. Christensen, D. M. Teeter and
W. H. Manning.

Miss Dorothy Madsen is visiting her
parents in Alhambra.

Mrs. H. B. Carter entertained her sis-
ter, Mrs. Hamilton Glass of Oakland,
last week. At the banquet given G. C. R.
William Madsen by the Foresters in
Oakland last week. Mrs. Livermore was
represented by J. J. Callahan, William
Bos, Fred Lawson and G. W. Crane.

THE WORLD'S FAIR MEETING IN SESSION IN THE MERCHANTS' EXCHANGE IN SAN FRANCISCO YESTERDAY. FRANK L. BROWN PRESIDING.

San Francisco's Matchless Courage.

The nerve and pluck which San Francisco is displaying in the fierce competition with New Orleans for national recognition as the city to be chosen as the site for holding the Panama-Pacific Exposition commands the admiration of the civilized world. With splendid courage it takes up the challenge to raise a fund of \$7,500,000 to secure the passage of a resolution by Congress authorizing the President to invite the nations of the earth to join with it in holding an international exposition commemorative of the opening of the Panama canal.

The same spirit and the same enthusiasm was shown at the great mass meeting held in the Merchants' Exchange yesterday as was manifested on the previous occasion when in less than two hours over \$4,000,000 was contributed to the fund. That the \$7,500,000 will be fully subscribed before New Orleans will have secured assurances of half the amount can scarcely be questioned. Moreover, San Francisco's courageous citizens have such unbounded faith in the success of the exposition, if held there, that they will not hesitate to bond the city for \$5,000,000 more if it shall appear that such additional sum is necessary. San Francisco's enterprise will doubtless have an impressive influence with Congress and induce it to take favorable action early at the next session if it fails to do so at the present one before a adjournment.

Business District Expansion.

An intense rivalry existing between private property interests is helping to expand the chief business center of Oakland, and without injuring either is stimulating expansion. Every sale of realty, east or west or north or south of a given point on Broadway in the heart of the city, is counted as a triumph for either one of these interests. Temporarily it may be; but experience has proved that matters are quickly equalized. As a matter of fact, Oakland's central business quarter is reaching out in all directions on perfectly rational lines. The south side is carving into its rightful inheritance as a district tributary to ocean and railroad commerce, and the character of improvements that are being made in that quarter are more consistent with its natural destiny than anything ever before introduced. Realty men have neglected it for decades. Some are still knocking it because they are more directly interested in the development of unimproved realty remotely situated to the north or to the east, and in the handling of which they are able to reach the majority of small investors with least effort and quickest returns. But it is dawning on some of them that the greatest opportunities for big gains lie in the near future in the territory that they have been systematically ignoring and knocking where commercial improvement and development have started and which must soon be recognized by the shrewd investor as the field of greatest opportunity and where fortunes soon to be made are now lying apparently dormant.

It is in that section of the business quarter of Oakland that the most important public improvements relating to the city's real commercial interests are about to be carried out. It is the section of the city which is undergoing that evolution which occurred in San Francisco thirty years ago east of Second and Front streets and multiplied the values of realty in a decade ten-fold and changed the character of improvements from temporary shacks occupied by small and inconsequential industries into substantial structures housing the most important class of wholesale and industrial concerns.

However, the intense struggle which is now in full swing in Oakland's central business quarter is resulting in its rapid development on strictly natural and harmonious lines in all directions and is giving stability to realty values and assurance of their future advancement.

California Mineral Production.

State Mineralogist Aubrey's statistical returns of the mineral output of California for the year 1909 has been placed in the hands of the State Printer. Independent of the year's output of the precious metals, the thirty-eight other metals and minerals figuring in the list aggregated \$61,324,025, including the precious metals, the mineral resources of the State yielded at least \$80,000,000. Over a generation has passed since such a record was made. Indeed, only in the banner years of gold production has the record been equaled or exceeded. During the past three years the value of California's mineral productions has been mounting upward by leaps and bounds, and compared with 1907 the money value of the output showed an increase for last year of \$25,000,000 in round figures. Of this amount, the increase of 1909 represented \$14,000,000 in excess of the returns for 1908.

Petroleum out-distances all other mineral productions in the State. It has been at the head of the list of values for several years. In 1907 it outranked gold. The following year it put California at the head of the list of oil producing States in the Union and each year since the lead then obtained has been greatly increased. The State Mineralogist estimates the petroleum production of 1909 at 58,191,723 barrels, and the value is conservatively estimated at \$32,398,187, or \$13,000,000 in excess of the combined values of the precious metals extracted during the preceding year.

Indeed, of all branches of the mining industry in California today, oil mining is vastly more important than all others. More capital is invested in it now than in any form of mining. And while the field of operations is expanding and the volume of production is swelling in a marvelous degree, it is yielding increased profits yearly to those engaged in it. It has become vastly more alluring than gold mining, is yielding bigger dividends to investors. Moreover, the market outruns the output at a more rapid rate than the latter increases, so that there is apparently no prospective danger of over-production.

Tell the truth and shame the devil is a maxim sometimes forgotten in the pulpit.

Congress will doubtless recognize the fact that danger lurks in the proposition for two international expositions to celebrate the opening of the Panama canal. Such a proposition, if carried out, would imperil the success of both expositions, for no foreign nation is likely to duplicate its exhibits and doubling its expense in order to be represented at the two fairs. The same reasoning applies to private exhibits of foreign manufacturers and products. The first and only city on the continent to make a success of an international exposition without congressional aid was San Francisco. New Orleans made a financial fizzle of it and welched on the congressional loan. Logically, San Francisco, which is willing to shoulder all the cost of holding the Panama-Pacific Exposition—seeking no assistance from the Federal government save the moral support through the invitation issued to foreign nations—is the city entitled to the favor of Congress and the national administration.

Twenty Years Ago in Oakland

Among those who were active in rolling up the receipts of St. Anthony's fair which closed last night were the following: S. Derby, D. Corkery, Emma Moffitt, Josephine Coleman, Mrs. S. Henry, Mrs. J. H. Ellis, Mrs. J. B. Hogarty, Mrs. P. Staitery, Miss Mamie Baker, Miss Annie Hampel, Miss Annie Pont, Miss Mollie Feeney, Miss Anne Cronan, Misses Alice and Ellen Carr and Miss Josie Nesbit.

Many people are leaving for their summer vacations this week. Among those who have departed are Miss Caro Carpenter, Frank J. Canton, Miss Blanch Perkins, Mrs. S. C. Bogart and Miss Minnie Taylor, Alfred

Orton, Mrs. F. M. Pugh, T. F. Dredge, Miss Constance Jordan, Mr. and Mrs. James L. Martel, Mr. and Mrs. James T. Stratton and Miss Jessie Kimball.

Mrs. Sarah A. Davis, mother of Edward C. and Paul Davis, and sister of Mrs. E. J. Minturn, died yesterday in Alameda.

Mrs. Minnie L. Emfeldt, wife of John A. Emfeldt and sister of Robert G. and William J. Rice and Mrs. F. A. Cornell, died June 15 at the age of 28 years and 7 months.

Miss Mamie Westmorland of Rancho Piana and Guilford Prior of Oakland were married yesterday at the residence of the bride's parents by the Rev. Seneca Jones.

W. W. Russell, George Adams and E. G. Mathews have appraised the estate of Almira P. Swett, deceased, at \$6250.

At a luncheon given yesterday by Miss May Scott of Alameda the following were among those present: Mrs. John Scott, Mrs. Horace Wilson, Mrs. William P. Reddington and Miss Shipman.

Attorney Victor Metcalf represented Directors D. W. Standeford, E. R. Hundley and A. F. Buswell in a suit brought against them by O. H. Burnham, president of the Burnham-Standeford Company.

Byron F. Smith of this city, one of the Smith brothers who developed the borax industry on this coast, is out \$700 today owing to the fact that another B. F. Smith cashed a mislaid check for that amount.

At noon today Mr. F. R. Porter and Miss Tonia Fink, daughter of Mr. and Mrs. A. A. Klink, were married at the First Presbyterian church by the Rev. Dr. Francis A. Horton.

Editorial Paragraphs

LITTLENES of mind begets BIGNESS of obstinacy and IGNORANCE is hidden behind a SHOW of knowledge.

MALICE mocks the truth but LETS the lie live; in its BACK-BITING it sinks its VENOMOUS FANGS into itself.

MAN's true worth is often measured by his MANLY MANNERS; "beauty is as beauty does."

MAN masters truth but error cannot be whipped; TRUTH is man's HEAVENLY ESTATE, while ERROR is a GHOST that would scare away the truth.

HE who points out ANOTHER'S VICE, may thereby try to extol HIS OWN VIRTUE; he would praise his own bigness by the CENSURE of his brother's littleness.

COUPLE KNOWLEDGE and ENERGY to your WHISTLE and SMILE and you will pass all competitors on the first mile.

WHENEVER a man brags about being SELF-MADE he should be reminded that the Lord FURNISHED the material—IF it's a good job.

NOT-HEADEDNESS makes FOOLS of us to others, but HIDES us from ourselves—we are BLINDED by the glare of our own false lights.

TO DIE is TO LIVE if man's spirit be immortal; what is thought to be so great a terror HERE may prove to be most friendly in the HEREAFTER.

MANY, many do not have opinions, home-grown and their own; OPINIONS are too often picked up in an open market after having been cast away.

Topics Timely and Interesting

The funeral of King Edward was the subject of discussion at an uptown club yesterday, and one of the elderly men who took part in the conversation said that it must have been a grand spectacle. "Yes," said another, "it probably was, but I was present and saw a parade forty-five years ago—on May 23, 1865, to be exact—which was grander. It took place at Washington, and the parading body of 75,000 was made up of what was left of the Army of the Potomac. There were no red coats, no gold lace and no fine uniforms. Many men in line wore torn coats and were bare-headed, but it was a grand sight, the recollection of which forty-five years has not destroyed."

The number of suicides among the students in Russian schools has increased to such an extraordinary extent, says the "Russische Korrespondenz," "that Mr. Schwartz, the Minister of Education, is making a searching investigation with a view to ascertaining the cause." The inquiry will undoubtedly reveal the fact that tender natures cannot long endure the harsh and heartless discipline of the schools and the petty nagging of the police to which the students are subjected. There are doubtless the causes of many of the voluntary acts by which the thrudom comes to an end. The authorities have endeavored to make people believe that the young suicides were all "children of misfortune," but the writer thinks that the public knows the cause.

APPLAUDS SPIRIT OF MISSIONARY CONFERENCE

Bishop of Cremona Declares
Edinburgh Meeting Is the
Century's Triumph.

ALL CREEDS GATHER
TO FURTHER CHRISTIANITY

Reports Are Read at the Great
Gathering in Metropolis
of Scotland.

EDINBURGH, Scotland, June 17.—To-day's features at the World Missionary Conference were the reading of a letter from Monsignor Bonomelli, Roman Catholic bishop of Cremona, Italy, and the presentation of the report of the commission on "Education in Relation to the Christianization of National Life."

The communication of the bishop was in response to an invitation for him to contribute a message. The invitation explained the purpose of the conference in the following language:

"A world missionary conference is to be held at Edinburgh, Scotland. Christians of all churches in the world are freely invited. It is merely a conference on how all Christians of every name may better understand each other and better combine to make Christ and His church known to all men."

NO RESOLUTIONS.

"The conference will only confer; it will not pass resolutions or take any definite action. No convictions are to be proclaimed; no principles sacrificed. Will you write a letter to be read at the conference, advocating better feeling, knowledge, better relations among all who believe in Christ as God, in order that we may all come together in God's good time into the universal body of Christ—the true, holy, catholic and apostolic church."

"The conference is a triumphal proof of another consoling fact: the most desperate and perilous of human liberties, religious liberty, may now be said to be a grand conquest of contemporary humanity. It enables men of various faiths to meet together not for the purpose of battling and combating each other for the supposed glory of God, but in order to concentrate themselves in Christian love to the pursuit of that religious truth which unites all believers in Christ. United in one faith, the various spiritual forces combine in the adoration of the one true God in spirit and in truth."

APPLAUDS CONFERENCE.

"For these reasons I applaud your conference."

"We are united in the profound conviction that a universal religion is necessary and that this must be the Christian religion, not a cold and formal religion, a thing apart from human life, but a living force, pervading the human soul in its essence and its various manifestations. In short, which completes and crowns our life and which bears fruit on works of love and holiness."

"Again all of you feel the need of a church which may be the outward manifestation of your faith and religious feeling, the vigilant custodian now and hereafter of Christian doctrine and tradition. It sustains and keeps alive religion and individual activity, in spite of that strong power of suggestion which collectively always exercises on the individual."

NEW ELEMENT ARISES.

"Finally, from the various churches and religious denominations into which you Christians are divided there arises a new unifying element, a noble aspiration, restraining and guiding the living between divided barriers and working for the realizing of the one holy church through all the children of redemption."

"On this common ground, gentlemen, having your minds liberated from all passions or sectarian intolerance animated on the contrary by Christian charity, bringing together into one force the results of your studies, the teaching of experience, whether individual or collective, calmly carry on research and promote discussion."

"The truth be a shining light, illuminating your mind and making you all of one part and one mind. My desire for you is but the echo of Christ's words which have resounded through the centuries. Let there be one flock and one shepherd."

The report of the commission on "Education in Relation to the Christianization of National Life" was presented by the chairman of the conference, the Bishop of Cunningham, and the vice-chairman, Professor Edward C. Moore, D. D.

FRAUD CHARGED IN SALOON DEAL

License Committee Hears Sad
Tale of Alleged Game of
Fleece.

Startling charges of flagrant fraud were made before the license committee of the City Council last night by A. L. Peters, a youthful Greek, who claimed that he had been robbed of \$100 by two other Greeks, George Damos and George Kallis, and "Sid" Pollard, in a deal whereby he was to have taken possession of a half interest in a saloon at 833 Broadway.

Peters' complaint was made to License Inspector Franko a week ago and Pollard's place was closed up by Superintendent of Police Wilson at that time. The license committee of the Council, on understanding that the trouble was over the fact that Pollard had no license to run a saloon ordered that the principals in the controversy appear before that body and explain matters.

BUYS HALF INTEREST.

Peters appeared last night and stated that he had bought a half interest in the saloon from George Damos and George Kallis, who in turn had taken the place from "Sid" Pollard. Peters charged that Pollard had a chattel mortgage on the saloon for \$1000 and that his new partners did not make him, Peters, aware of that fact. Soon business began to decrease and finally Damos and Kallis disappeared, leaving Peters alone in the place. The next day Pollard appeared on the scene and declaring that he had a mortgage on the property, ordered Peters out. Pollard failed to get an exchange of license and it was then that Peters closed the place with the aid of the police.

CHARGES FLEEING.

Boys' Leather-look Suspender—Made the same as the men's police and firemen's brace, which means very strong quality for the youngsters. Good elastic webbing and variety of patterns—15c a pair.

Pollard and other creditors, appeared before the committee last night and was directly charged by Peters with the alleged fraud. Pollard denied the charge, claiming that he had told Peters he was foolish when he put his money into the place.

A considerable discussion it was learned that no application for a license was before the committee and that therefore it was argued a matter over which it had no jurisdiction. The members of the committee, however, decided that their sympathies were with Peters and Councilman Stellvater was appointed a committee of one to make a thorough investigation of the matter and report back at the next meeting.

DENIES LICENSE.

That a saloon license should be denied Joseph Oakes to conduct a place at Eighth and San Pablo (evening) on the ground that the application was similar to one denied by the council a month ago for a saloon at the same place the only difference being that then the applicant

Sale of Children's Dresses at Very Low

Three Leave for Reno To Meet McCarthy

A party consisting of Cleveland Dam, attorney for Mike McCarthy of San Francisco, E. C. McFadden, the mayor's private secretary, and Sheriff Thomas Finn left for Reno today, where they will meet Mayor McCarthy and his party, who are speeding westward, at 6 o'clock tomorrow morning.

Mrs. McCarthy and party will join the recurring mayor at Sacramento where he arrives there tomorrow on the Overland Limited.

A Woman's Great Idea

Sickly women will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion, good health. Try them, 50c at Osgood Bros.

Accept Resignation Of Postmaster Wolfe

MELROSE, June 17.—The resignation of J. R. Wolfe, who has served as postmaster here for a number of years, has been received and accepted by the federal authorities, and S. D. Garwood, formerly of Half Moon Bay will take charge of the office. Wolfe's resignation was the result of his intention to move to Monterey to live.

Soreness of the muscles, whether induced by violent exercise or injury, is quickly relieved by the free application of Chamberlain's Liniment. This liniment is equally valuable for muscular rheumatism, and always affords quick relief. Sold by Osgood Bros. & Stores.

Kermit to Replace Irving as Best Man

NEW YORK, June 17.—Kermit Roosevelt will be best man at the wedding of his brother, Theodore Jr., next Monday, instead of Evelyn Irving, the death of whose father, A. T. Irving, has made it impossible for him to take a prominent part in the ceremony.

After communicating his sympathy to the bereaved, young Mr. Roosevelt sent a wireless message to his brother, Kermit, who is now on the ocean, asking him to be best man at the wedding. The acceptance came back immediately.

"Kermit has never been a 'best man,'" said the older brother. "It's this he learned how."

There will be a rehearsal of the wedding for the special benefit of Kermit Sunday afternoon.

Accident or Suicide; Meets Horrible Death

NEW YORK, June 17.—Richard Auerbach, a wealthy New York financier, was instantly killed and almost decapitated shortly before midnight by a subway train. Whether he fell from the station platform or deliberately leaped to death is uncertain.

Andrew W. Cochran, the motorman, is positive Auerbach sought to end his life, but relatives of the former say his eyesight was defective and believe he walked off the platform by inadvertence. Every bone in his body was broken and his head was nearly severed from his shoulders. Passengers on the crowded train were thrown into a panic by his sudden stop and were held within the cars until the body was extricated.

FOUR MEN HURT IN TRAIN WRECK

Freight Strikes Boulder While Rounding Curve at High Rate of Speed.

PORTLAND, Ore., June 17.—While rounding a curve at a high rate of speed on extra freight train on the Oregon Railroad and Navigation Company's line struck a boulder a mile and a half east of Arlington, Ore., at 9:30 p. m. Thursday night. Four men were injured, three of them, it is stated, being in a critical condition.

The injured were: A. O. Strule, brakeman, The Dalles, critically.

Hinkle, fireman, The Dalles, slightly.

Two tramps, names unknown, both critically.

The nature of the injuries is not known. Strule is being rushed to this city on a special train.

According to advices received at the offices of the company the rock had been loosened by recent heavy rains and had rolled from the hillside and onto the track. It was stated that all of the cars in the train went into the ditch.

Passenger trains were delayed several hours.

Pioneer Woman Dies After Long Illness

BERKELEY, June 17.—Mrs. Annie H. Congdon, a native of California, aged 50, passed away at her home, 1633 Walnut street, at an early hour yesterday morning. Funeral services for Mrs. Congdon will be held tomorrow afternoon, starting at 2:30 o'clock in the parlors of the Berkeley Undertaking Company.

LABOR CANDIDATE'S NAME NOT TO BE ON BALLOT

City Council Canvasses Vote of Charter Primaries at Meeting.

REPUBLICANS TO BE ON DEMOCRATIC LIST

R. J. Montgomery Demands That Party Returns Be Segregated.

J. W. Smart, union labor representative of the city and president of the Carpenters Union, is the only candidate whose name appeared on the primary ballot in the freeholder election last Tuesday who will not be given a place on the official ballot at the final election for the members of the board to frame a new charter for the city of Oakland. This was disclosed at an official canvass of the votes of the recent election by the City Council last night.

The official count of the Council showing those nominated on the Republican ticket, designating the ticket which supported them and giving the total vote received by each, is as follows:

I. H. CLAY, Progressive and Charter Convention, 5845.
WILLIAM C. CLARK, Progressive and Charter Convention, 5821.
ALBERT H. ELLIOT, Progressive and Charter Convention, 5855.
GEORGE C. PARDEE, Progressive and Charter Convention, 5669.
JOHN FORREST, Progressive and Charter Convention, 5560.
GEORGE W. DORNIN, Progressive, 4180.
CHARLES H. DALEY, Progressive, 4183.
RAYMOND B. FELTON, Progressive, 3115.
HUGH HOGAN, Progressive, 4013.
HARRISON S. ROBINSON, Progressive, 3533.
RICHARD M. HAMB, Progressive, 3525.
FRED L. SHAW, Progressive, 3741.
ALBERT KEYSER, Progressive, 3007.
R. H. CHAMBERLAIN, Charter Convention, 2770.
W. A. DOW, Charter Convention, 3094.

DEMOCRATS.

The nominees to be placed on the Democratic ticket, the number of votes cast for them and the factions supporting them are as follows:

JOHN J. MC DONALD, Progressive, 2292.
JENNIS MCCARTHY, Progressive, 2195.
THOMAS O. CRAWFORD, Charter Convention, 1371.
J. C. BULLOCK, Charter Convention, 1288.
GEORGE C. PARDEE, Progressive and Charter Convention, 52.
ALBERT H. ELLIOT, Progressive and Charter Convention, 51.
WILLIAM C. CLARK, Progressive and Charter Convention, 50.
I. HARRISON CLAY, Progressive and Charter Convention, 48.
JOHN FORREST, Progressive and Charter Convention, 41.
R. H. CHAMBERLAIN, Charter Convention, 40.
T. M. GARDINER, Charter Convention, 39.
T. B. HOLMES, Charter Convention, 35.
ROBERT B. GAYLORD, Charter Convention, 37.
H. C. INGRAM, Charter Convention, 35.
R. J. MONTGOMERY, Charter Convention, 34.

A communication was received by the Council last night from Richard J. Montgomery, a candidate on the Charter Convention ticket for election to the Board of Freeholders, and reads as follows:

"To the Honorable the City Council of the City of Oakland—Gentlemen: As one of the nominees of the Great or Oakland Charter Convention I hereby request and demand that in canvassing the returns of the primary election held in this city June 14, 1910, that the Republican and Democratic votes, cast at said election, be segregated as required by the law, and the result thereof be officially determined and declared. Yours respectfully,

(Signed) "RICHARD J. MONTGOMERY."

Railroad Conference For Increase Called

CHICAGO, June 17.—The conference of railroad officials to discuss a plan for imposing an excess fare on passengers traveling in parlor and sleeping cars in addition to the regular rate of a first class railroad or Pullman Unit has been prepared, according to advices from New York.

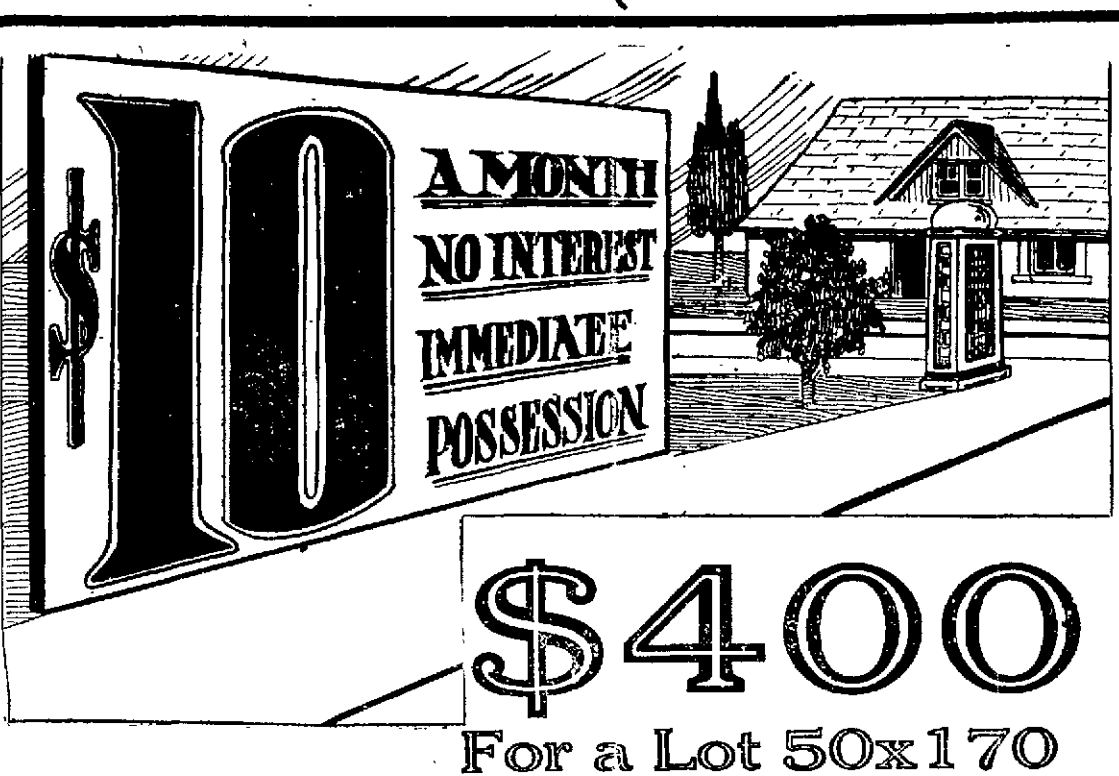

Details of the plan, initiated by some of the Eastern roads in the Truck Line Association, were to have been considered at a New York meeting of passenger officials from all sections of the country. Yesterday, however, Chicago members of the committee received advice that the conference had been postponed indefinitely, but might be held later in the summer.

TOLER HEIGHTS

ELMHURST

On the Scenic Boulevard

Hillside property adaptable to the erection of homes at a modest outlay is getting scarcer every day—very few sites are now left where a home can be erected without heavy and expensive retaining walls—the premium one pays for the privilege of living on a hill.

Toler Heights has the elevation, but not the usual steepness. On most any portion of the tract a house can be built without unnecessary excavating or building high foundations or walls.

Toler Heights enjoys an unparalleled view from Hayward to the Golden Gate, the Scenic Boulevard in the immediate foreground, with its continual stream of automobiles and pleasure vehicles, is a panorama of beauty and life that is worth going miles to see.

Toler Heights is completely surrounded with high-class homes; it enjoys excellent transportation service; close by are stores, churches, schools and colleges.

Fine Improvements

Toler Heights is improved in a superior manner. It has gravel streets, sewers, water mains and massive entrance pillars mark the junction of the principal avenues and the Scenic Boulevard. It is the ideal in a residence site—the speculative opportunity of the day.

How to Reach the Property
Take a Hayward or San Leandro car to our office at Fourteenth street and Grand Avenue

S.S.S. CURES ECZEMA, ACNE, TETTER, ETC.

ECZEMA, Acne, Tetter, Salt Rheum, etc., are simply the ulceration of skin tissues, caused by humors and acids in the blood. The circulation has become infected with impurities which are being constantly deposited into the pores and glands of the cuticle, and a continual state of inflammation and irritation is thus kept up. Just as long as these humors and acids remain in the circulation the skin affection will continue. The trouble may be temporarily soothed and covered over with external applications, but such treatment does not make the blood any purer, and can therefore be of no permanent benefit. To cure any skin disease it is necessary to purify the blood—remove the cause. S. S. S. Cures Eczema, Acne, Tetter, Salt Rheum, pimples, eruptions, etc., because it is the greatest of all blood purifiers. It goes into the circulation and drives out every humor, acid or impurity. It cools the feverish blood and allows it to furnish the skin with healthy nourishment, instead of itchy, acrid deposits. S. S. S. is purely vegetable, mild and pleasant in its action; it does not cure skin disease by forcing all the impurities to the surface, but stimulates the excretory members to carry it off through the natural avenues. If you have any skin affection you can not do better than purify your blood with S. S. S. It will assist nature in quickly restoring the smooth, even texture of the cuticle, and the cure will be permanent and lasting. Book on Skin Diseases free to all who write.

MANY ORDINANCES RECOMMENDED TO COUNCIL

Auditing and Finance Committee Provides for Quarters for Detectives.

CITY ATTORNEY TO HAVE
NEW OFFICE IN HALL

Raise in Assistant Fire Chiefs' Salaries Proposed at Last Night's Meeting.

The auditing and finance committee of the City Council at a regular meeting last night recommended that \$50 be appropriated for the purpose of providing suitable quarters for the City Attorney's office because the present office is to be used by the detective force of the police department.

Since the creation of an adequate detective bureau there has never been a room set apart for this branch of the police department in which suspected criminals could be interviewed and examined with any privacy whatsoever, and it has been decided upon that the City Attorney's office on the main floor of the City Hall shall be set apart for this purpose.

The committee also appropriated \$150 for the furnishing of the new room for the City Attorney.

The usual annual ordinance providing for an appropriation of \$720 for the employment of 120 extra call men for the fire department on July 5, 4 and 5 was turned down by the committee.

This action was taken because the Council has passed an ordinance prohibiting the use of fireworks of any kind within the city limits on the days mentioned this year.

Mayor Mott has not as yet signed the anti fireworks ordinance and the matter of employing extra firemen this year will be kept in the committee pending the mayor's approval of the ordinance.

An ordinance providing for an appropriation of \$600 for the grading, curbing and maintaining of the extension of Fourteenth street which is run on a curve from Oak to 14th streets, was recommended to the City Council for passage by the committee.

This piece of work is in line with the city plan for the beautification of the street at this point will be an extension of the Twelfth street dam boulevard which will be laid with permanent asphalt in the near future.

The sum of \$250 a month was recommended to be appropriated by the committee of the City Council last night for the purpose of defraying the expenses of an exterior telephone in the Moshe police station.

An ordinance appropriating \$400 for the construction of culverts across Hopson street, Quigley street, Bridge street and Broadway street in the annexed district was recommended. Four of the culverts proposed to be constructed will be located on Hopkins street.

Recommended that the salaries of the Assistant Fire Chief McDonald and Second Assistant Fire Chief Scott be raised to \$4.5 and \$200 respectively was made.

Oakland Again Leads In Bank Clearings

Oakland leads in bank clearings for the week ending Thursday noon June 17, as compared with 1909. The city's record was 1,813,000,000, compared with 1,713,000,000 in 1909. The city's record was 1,813,000,000, compared with 1,713,000,000 in 1909. The city's record was 1,813,000,000, compared with 1,713,000,000 in 1909.

Chase Put Kerosene on Stove to Boil

Superior Judge Ogden gave Dora Chase a final decree of divorce yesterday from Harry Chase, an insurance solicitor on the ground of extreme cruelty and habitual intoxication. One night Mrs. Chase went home a very late hour under the influence of liquor and making a fire in the kitchen stove placed a can of kerosene upon it to boil. Mrs. Chase happened to be absent and when she returned to find the house Chase filled with smoke and flames. Chase would not let her leave the house but as a rule his favor a plan of attack was to burn the house and other property at her head. By the terms of the decree Mrs. Chase is awarded the penance at study of the minor child and Chase must pay her \$30 a month in alimony and support for the little one's maintenance and support.

PARTNERSHIP DISSOLUTION SALE

Mr. De Lancey has sold his entire interests in the old reliable shoe firm of De Lancey, Espejo & Company to J. C. Espejo, Hugh P. Evans and Will F. Davis, and in order to raise sufficient cash to pay off his one third interest we will put on sale OUR ENTIRE STOCK OF MEN'S, LADIES' BOYS' AND CHILDREN'S SHOES at prices that will make our store a regular beehive so long as the sale lasts. We have already engaged several extra shoe salesmen, and will be prepared to serve the crowds as quickly as possible. After sufficient cash is raised during the sale to pay this demand, the business will be continued under the name of "PARK SHOE CO." at the old stand, 475 14th street, Oakland; and with none but experienced shoe fitters to serve you with the best shoes that money can buy—at lower prices than you can buy the same grades of shoes elsewhere. We hope to merit the patronage of all our old customers, together with many new ones.

An early visit to our store during this sale, or a look into our windows at the price reductions, will convince you that we can save you dollars on your shoe leather. Below are only a few prices of the many reductions we have in store for you. No long-winded argument necessary to convince you that it is to your interest to buy at these prices.

THE GREATEST IRISH PLAY IN VAUDEVILLE

"A Romance of Killarney" With Will J. O'Hearn Comes to the Bell Theater Sunday

An idea of the world wide search that is constantly going on for rare vaudeville talent can be gleaned from the appearance of Will J. O'Hearn, a young Dublin City Barrister in his own beautiful Irish playlet, "A Romance of Killarney," at the Bell Theater, beginning Sunday matinee.

While touring Europe last summer Mr. Michael Shea of Buffalo, a power in vaudeville, was directed to a benefit in Dublin City that was given for the St. Vincent's Orphans' Home. Among the many that were giving their services for sweet charity's sake, was Will J. O'Hearn and his talented company. The beautiful atmosphere and artistic finish of Mr. O'Hearn and his associates in "A Romance of Killarney" so impressed Mr. Shea that he immediately secured an introduction to O'Hearn and was surprised to learn that he was a young lawyer and leading man of the Catholic Players' Club in Dublin who staged the theatrical charity.

Mr. Shea after offers and proffers finally prevailed upon Mr. O'Hearn to visit America, and Manager Gus Cohn of the Bell Theater was one of the first American managers to book this act for week of June 19th.

Read what a writer in the Detroit Free Press has to say of this excellent actor: "He gives the writer great pleasure to express his opinion regarding the beautiful Irish playlet, 'A Romance of Killarney,' produced at the Temple Theater last evening by Will J. O'Hearn and his talented company of seven players. 'The beauty of its setting together with the truly artistic interpretation of the story of Mr. O'Hearn make it one of the most enjoyable little plays I have seen before the City Court at the next meeting to explain why an open school is located in Fourth avenue terrace, at the head of Fourth avenue, in defiance of the sanitary laws of the city. The matter was called to the attention of the Council last night by Councilman Pondexter, who declared that the condition in the new school was a disgrace and a shame. The report caused considerable discussion at the meeting and to committee unanimously voted that the representatives of the city should be cited to appear and make an explanation."

TREATS OFFICIAL AS RIVER PIRATE

Master of Stranded Vessel Warns Off Government Captain in Plain Terms.

DETROIT, June 17.—The War Department of the United States and its representative, Captain Fred Trotter of Annapolis, were brought up standing yesterday in the language of rivermen, by Captain John Darrington, master and owner of the good ship Martin of Detroit.

In command of a flotilla of wrecking tugs Captain Trotter steamed up the Detroit river, his fleet in perfect formation, and bore down on the Martin, which has for some time rested in a dismasted condition on a bar below Belle Isle. But Captain Darrington sighted him from his lookout ashore. Putting off in a duck boat single-handed, Darrington raced for the Martin's rail, and when Trotter gave to his crew an order to man the guns for action and waiting on the Martin's deck. Before Trotter came within hailing distance his eye caught the warning on the Martin's starboard bow.

TAKE WARNING—Keep off! Don't meddle in any way. Any person or persons caught will be treated as pirates no matter who you are, War Department or not."

HOLDS THE SHIP.

Colonel Charles D. Townsend, engineer officer in charge of this district, decided some time ago that the Martin was a menace to navigation and recently awarded a contract for her removal to Detroit. Trotter, Captain Darrington, however, asserts that the Martin was the best clipper on the lakes when she was launched at Cleveland in 1866 and is as staunch as when she slid down off the ways.

When Captain Trotter gathered the full report of the warning he rang his engines to half speed and approaching within a boat's length he hailed the Martin's deck. Captain Darrington informed him he would not give up his ship. Then the flotilla wheeled to seek advice from the United States District Attorney and from Chief Townsend.

The government officials have been seeking advice from each other. An attempt to take the Martin will be made today.

New York to Have Auto Fire Fighters

NEW YORK, June 17.—Within the next three months New York's first auto fire engine will be added to the fire fighting apparatus of the city. The new apparatus will be a combination of steam and gasoline vehicle and probably will be used in one of the downtown districts. Many American cities have auto mobile fire engines, but all efforts heretofore to introduce them here have been unsuccessful.

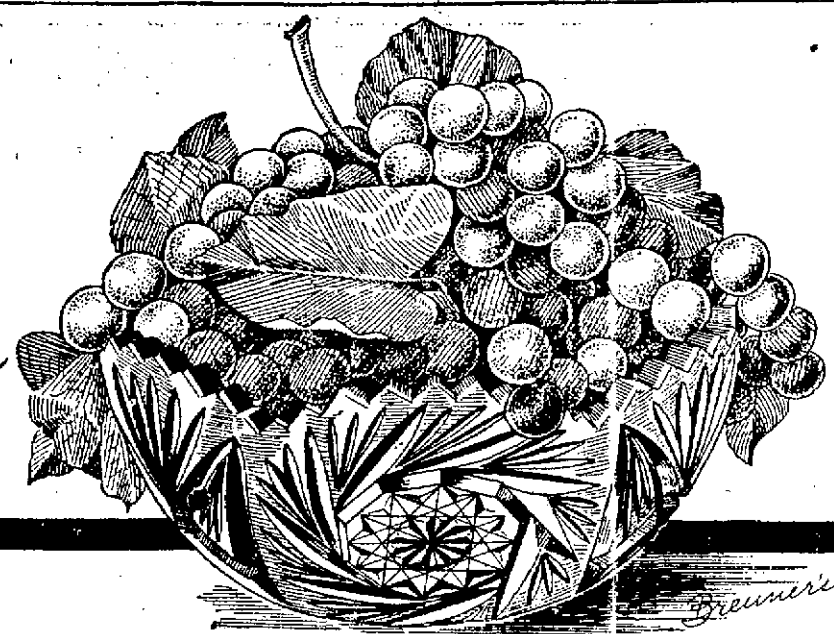

The authorization for the combination engine was based upon its claims to economy. An automobile hose tender bought some time ago has proved successful and the total cost for its operation and repair for the first year was only \$50, which is about a fourth of the sum previously expended annually merely for shoeing the horses attached to the old-fashioned horse-drawn tender.

Asks Court to Wrest Wife From Parents

SANTA ROSA, June 17.—William A. Winters, son of August Winters, pioneer lumberman of Guerneville, has petitioned the Superior Court for a writ of habeas corpus to wrest his wife from her parents, who, he asserts, are retaining her liberty. He says his parents-in-law, Mr. and Mrs. A. F. Blum, of Guerneville, are trying to disrupt their marriage relations by refusing to let her come to him or join her. Judge Denny will hear the case Saturday morning.

Plunges to Death Walking in Sleep

NEW YORK, June 17.—Walking in his sleep, P. T. Brudger, a retired business man, 70 years old, fell through an open window in his sixth-floor apartment on Forty-sixth street early today and was instantly killed. Relatives said that Brudger had been a somnambulist since childhood, but had never before suffered any accident while walking in his sleep.

LOWER FREIGHT RATES PROTESTED

Stockton Declares Reduction From South Will Ruin the Wholesalers.

STOCKTON, June 17.—The local merchants, through their association, will present a mass of data to the State Railroad Commission here today to show that the proposed reduction of rates from Southern California into the San Joaquin valley will ruin the wholesalers in Stockton and the valley. They declare that the proposed reduction would be a discrimination against local dealers who have built up a large business of 10 years.

The Stockton merchants say that they will use every effort to combat any reduction in rates from the south that is a part of a general rate reduction in rates out of Stockton. That the local merchants may compete with those of the south. At Stockton, representing the wholesalers, and Attorney C. L. Newkirk will address the commission against any differential operating against the city.

From the large amount of data and evidence to be presented it is believed that the commission will be satisfied with at least two days and will be well satisfied by business men who are taking great interest in the hearing.

Realty Firm Cited To Appear at Council

Representatives of the firm of Wickham Havens Inc. are to be cited to appear before the City Council at the next meeting to explain why an open school is located in Fourth avenue terrace, at the head of Fourth avenue, in defiance of the sanitary laws of the city.

The matter was called to the attention of the council last night by Councilman Pondexter, who declared that the condition in the new school was a disgrace and a shame. The report caused considerable discussion at the meeting and to committee unanimously voted that the representatives of the city should be cited to appear and make an explanation.

Farmer Runs Amuck; Tries to Behead Child

FILLINGS, Ont., June 17.—While suffering from a fit of temporary insanity, John F. Malar, a farmer near this city, after using his stock in a stable yesterday evening, set fire to the structure and to his house. Officers found the maniac holding one of his children across a block while he was attempting to decapitate the little one. Malar abandoned the child and picking up a pitchfork held the officers at bay while he backed at his throat with a butcher knife. He was overpowered and brought to the city, but will die from his self-inflicted wounds.

NO. 116

BOY IS KILLED IN FALL OUT OF GLIDER AIRSHIP

Precipitated Fifty Feet to the Pavement and Severely Crushed.

MACHINE WAS DRAWN
BY SPEEDY AUTOMOBILE

Many Similar Apparatuses Are
Used by Boys in City of San
Francisco.

SAN FRANCISCO, June 17.—Precipitated from a glider, an airship used as a toy by himself and a companion, Eugene Speyer, a 17-year-old boy who lived with his widowed mother at 2121 Jackson street, was hurled fifty feet to his death shortly after 9 o'clock this morning near Harbor View Park.

Together with a companion named Gray two or three years his senior young Speyer left home this morning in an automobile and proceeded to the Fulton Iron Works, where the glider had been constructed for them.

They then started to fly the airship, attaching it to an automobile and speeding the car until the winged toy rose high in the air.

Gray sat in the machine, while Speyer took his place on the glider.

At first the light craft skidded but a little distance above the roadway, but then it caught it and rose higher and higher until it had reached an elevation of fifty feet.

Young Speyer was enjoying the novelty of his ride with much zest and called out to his companion in a loud voice to go on with him.

BOY TAKES FROM GLIDER
Suddenly he saw the glider was not in the air and he was falling.

He tried to hold on and was in a momentary daze when he fell. He landed on the pavement and was killed.

STORY OF EYE WITNESS
One of the witnesses to the affair was A. Schwartz of Schwartz Bros. store who told of the accident as follows:

It was the first day the boys had used the glider and they were not very high in the air. As the machine rose high it seemed to turn and young Speyer was hurled out. They used an automobile to draw the glider, which had no engine in it and depended entirely upon the air.

In various parts of the city similar toys are being used by children. In fact, it is estimated that there are over 100 of these toys in the city.

ROOSEVELT TO SEE MONSTER CELEBRATION TOMORROW

Former President and Family
Will Arrive in New York
at 7 a. m.

WILL HAVE BREAKFAST
ON A REVENUE CUTTER

Big Parade From the Battery
Up Broadway and Into
Fifth Avenue.

NEW YORK, June 17.—Theodore Roosevelt today is expected to arrive in New York tomorrow on his return from a tour of the West.

A special train will bring the former president and his family to New York tomorrow morning. They will have breakfast on a revenue cutter and then proceed to the city.

A big parade will be held tomorrow in New York City to celebrate the arrival of the former president. The parade will start at the Battery and go up Broadway and into Fifth Avenue.

WILL BE NO POSTPONEMENT
Theodore Roosevelt will not postpone his visit to New York tomorrow.

"Thank God" on Murderer's
Lips As He Plunges to
His Death.

SAN QUENTIN PRISON, June 17.—An unfortunate incident happened at the execution of a wife murderer today.

The rope was mangled and the head of the condemned man was almost cut from his body.

With the same dagger during his show since his confinement in the death chamber.

No sign of fear or hesitation on his face as he followed the somber vesting priests into the execution room.

The trap was sprung and the body of the murderer fell through the trap.

After his attempted hanging, three weeks ago in the prison he had been in the hospital for some time.

PREPARED HANGING
With a determined look on his face, the condemned man prepared for his execution.

COUNCIL MAY BAR PIEDMONT FROM CITY DRAINS

City Fathers Rise in Wrath
When Storm Waste's Flood
Sewer.

ENGINEER IS CALLED
TO LOOK INTO CASE

Members of Governing Body
Intent on Serving Immediate
Notice.

If the city of Piedmont does not take some action against its residents draining storm waters into the Oakland sewers, which it is doing through the courtesy of the city of Oakland, notice will be sent to the city of Oakland that such privileges will be withdrawn.

This was the consensus of opinion of the members of the drainage and sanitary committee of the City Council last night when complaint was made that the Grand-avenue sewer was overflowing and causing considerable damage to property in that locality.

The action of the Piedmont residents in allowing storm water as well as sanitary drainage to flow into the Grand-avenue sewer caused considerable discussion, and for a time several of the members were intent on serving immediate notice on the town council that the use of the Oakland sewer was hereafter refused them.

SEWERS LARGE. That the Grand-avenue sewer would be adequate to handle all the drainage in that city as well as Piedmont, except that storm waters were directed into it from the latter town, was declared to be certain by the members of the committee who had investigated the matter.

It was finally agreed that the matter should be referred to the city engineer, with the request that he determine what points in the city of Piedmont the storm waters were draining into the Oakland sewer and report back to the Council, that that body might serve notice on the Piedmont officials that such drainage must be stopped.

HAMILTON'S EYE ON \$50,000 PRIZE

American Aviator Will Make
Attempt to Fly From London
to Edinburgh.

NEW YORK, June 17.—Charles W. Hamilton, the aviator, has announced to friends here his intention of going abroad before the end of the summer for the purpose of attempting a flight from London to Edinburgh.

A prize of \$50,000 will go to the first aviator accomplishing this feat. The distance is approximately 90 miles, and according to the terms of the offer the aviator may make two landings between the cities.

If Hamilton or some other dangerous pilot should slow any intention of making the attempt, Hamilton said he would change his plans to coast again to be ready to start on the race as soon as his other aviator.

According to figures compiled by Hamilton, more than \$500,000 prize money for various flights has been recently offered in Europe. He hopes to follow up a trip from London to Edinburgh with trips at some of the other large prizes.

FLEW ONCE BEFORE.

NEW HAVEN, Conn., June 17.—Walter Hamilton, who is to be guest of honor at a "home day" celebration in New Britain July 2, appears over New Haven on his proposed voyage from his birthplace to the city. It will not be the first time that the residents here have seen the aviator in flight. Two years ago Hamilton made a flight in a biplane from New Britain to New York city and around the city hall, only to come to grief in the harbor on his return, escaping with a warning. A warm welcome is being planned for him at Yale.

Wants Uncle Sam To Become Miller

ST. LOUIS, June 17.—The Operative Millers of America yesterday recommended to the Agricultural Department that an experimental mill be established at Washington, D. C., in charge of a reliable and competent miller and that the mill be made a part of the Department of Agricultural equipment.

The reason for the resolution was the belief that it is necessary that the government should know what is taken into consideration when it is recommended to farmers that certain varieties of wheat should be grown and that it is necessary for the Agricultural Department and the State agricultural colleges and experimental stations to have full knowledge of the variety of wheat which will produce the maximum yield and the best quality of flour.

Common-Law Wedding Culminates Kidnaping

DETROIT, Mich., June 17.—It developed late last night that a common-law marriage was the culmination of the kidnaping Wednesday which set in motion the Detroit police and sheriff's departments whose representatives searched all day yesterday for Joseph Bonetta, supposed to have been taken from her father by a band of Italians as the result of a vendetta.

Several men arrested in connection with the affair today were released. Friends of Joe Leone, who came for his bride in a taxicab, assert that several revolver shots were fired because every one was so happy.

Colombia to Look After U. S. Consul

WASHINGTON, June 7.—It seems quite certain that the government of Colombia will do anything in its power to prevent any injustice being done to American Vice-Consul McMaster, who was recently threatened with arrest by one of the courts at Cartagena in connection with an affair with a native about a year ago. The State Department has been informed that the Colombia government had offered a change of venue in the case, the purpose being apparently to remove it from Cartagena, where the local feeling ran high against the vice-consul, to Santa Marta or Barranquilla.

Search Susquehanna For Mangled Corpse

ONEONTA, N. Y., June 17.—Divers are today searching the shallows of the Susquehanna river near here for the body of William Russell, conductor of a fast express train on the Ulster and Delaware Railroad, who was killed in an unusual manner last night. Russell was standing on the platform of the front car when a sudden tilt of the train on a steep curve near the bridge threw him beneath the wheels. He was instantly killed and his body, falling through the trestle work into the river, was swept away by the swift current.

Carmack Will Study Philippine Business

WASHINGTON, June 17.—In the party that will sail from San Francisco on the Siam with Secretary of War Dickinson will be L. V. Carmack of the bureau of Insular Affairs. Mr. Carmack will leave for Manila for a trip through the Philippine Archipelago, extending over several months, to study the business methods of the various bureaus of the Philippine government with which Carmack has relations.

ANNOUNCEMENTS

AN OLD-TIME PRESCRIPTION

Is a modern product. From time immemorial sage and sulphur have been used for the hair and scalp. Almost every one knows the value of such a combination for darkening the hair and making it grow. In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready to use product, skillfully compounded in perfectly equipped laboratories. Such a preparation is Wyeth's Sage and Sulphur, which is sold by all leading druggists for 50c. and \$1.00 a bottle, or which is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

For sale and recommended by The Owl Drug Co., 13th and Broadway, 10th and Washington, 10th and San Pablo.

WOULD HOLD BACK FRANCHISES UNTIL DEPOT IS BUILT

Councilman Ellsworth Takes Fling at Southern Pacific in Meeting.

ELECTRIZING PETITION FINALLY RECOMMENDED

Local Line to Be Run From First to Fourteenth as Electric.

That it was time the Southern Pacific company made some move toward the erection of a new and adequate depot at Sixteenth street station is the point of view of Councilman Ellsworth, who took occasion to say so in a meeting of the railroad committee of the city council last night when the request of the Southern Pacific for a franchise to run an electric line from the city to the depot was under consideration. Councilman Ellsworth, who is a member of the committee, said that the committee had been studying the matter for some time and had come to the conclusion that it was time the company made some move toward the erection of a new and adequate depot at Sixteenth street station. He said that the committee had been studying the matter for some time and had come to the conclusion that it was time the company made some move toward the erection of a new and adequate depot at Sixteenth street station.

REPLIES TO FILING

The filing of a petition for the election of a new and adequate depot at Sixteenth street station is the point of view of Councilman Ellsworth, who took occasion to say so in a meeting of the railroad committee of the city council last night when the request of the Southern Pacific for a franchise to run an electric line from the city to the depot was under consideration. Councilman Ellsworth, who is a member of the committee, said that the committee had been studying the matter for some time and had come to the conclusion that it was time the company made some move toward the erection of a new and adequate depot at Sixteenth street station.

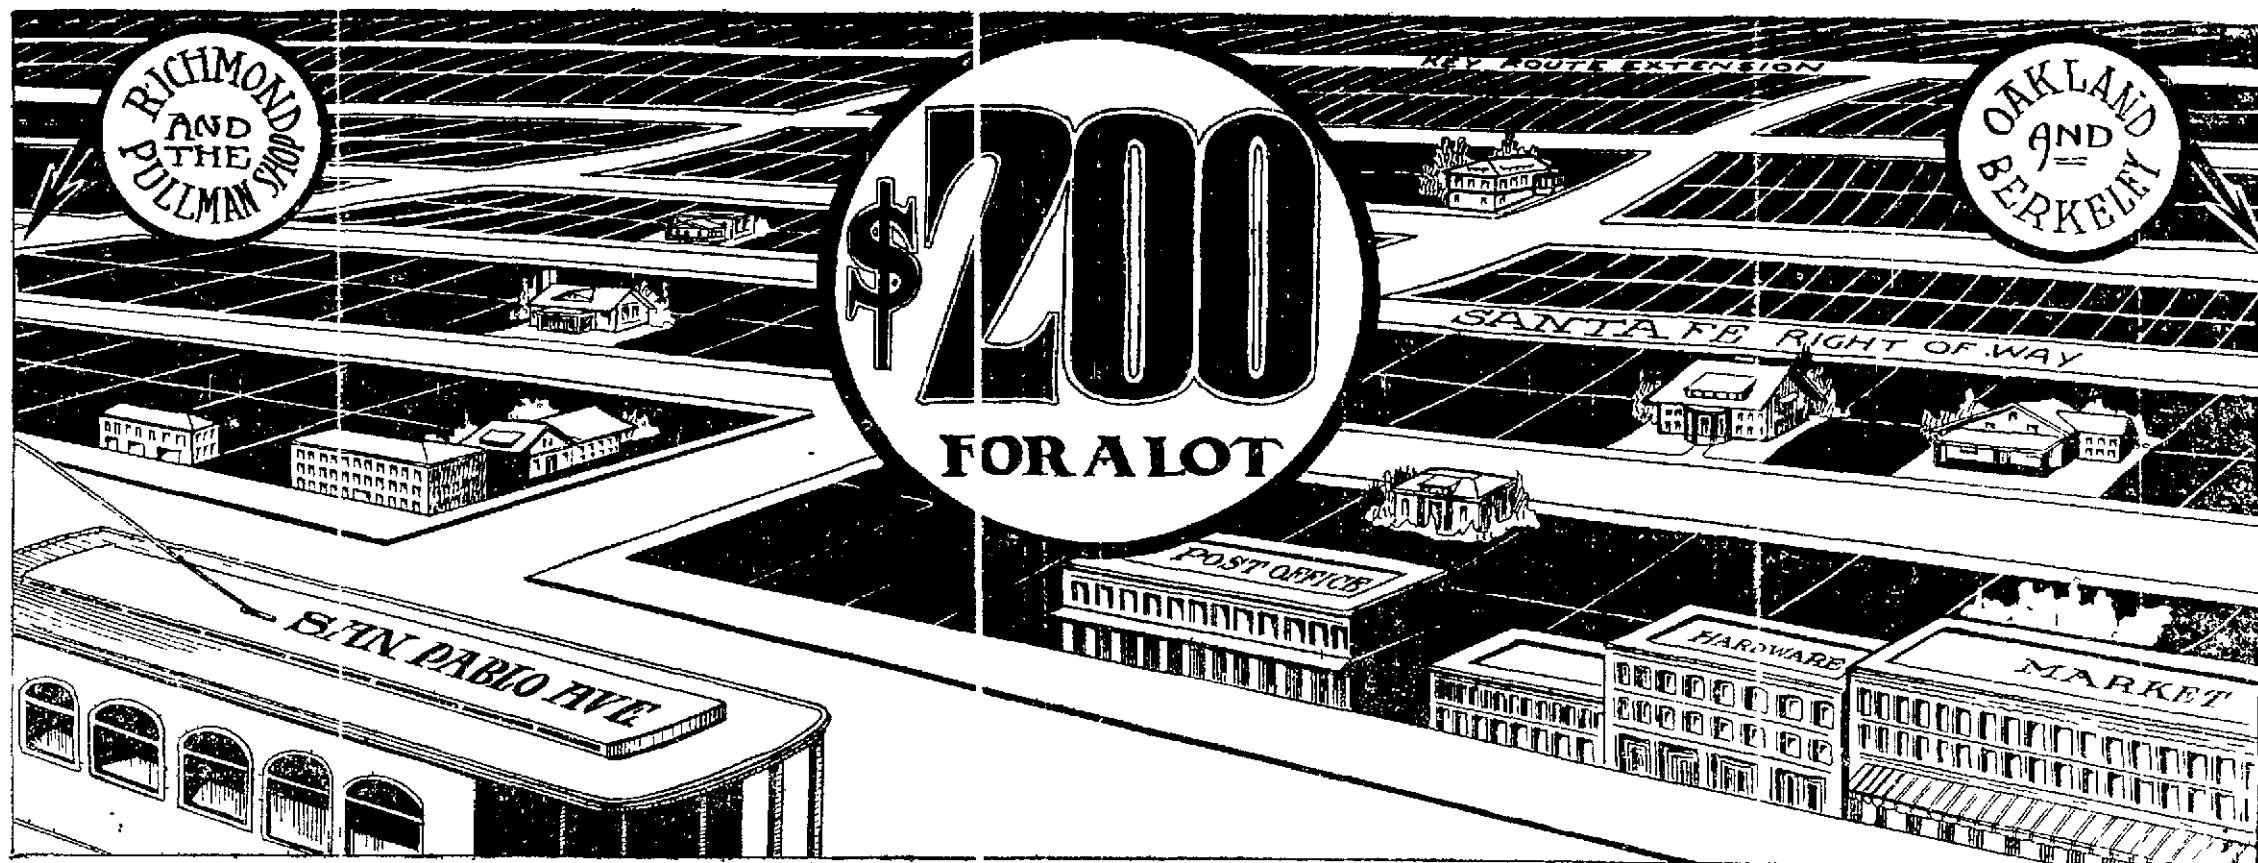

PETITION GRANTED

The petition for the election of a new and adequate depot at Sixteenth street station is the point of view of Councilman Ellsworth, who took occasion to say so in a meeting of the railroad committee of the city council last night when the request of the Southern Pacific for a franchise to run an electric line from the city to the depot was under consideration. Councilman Ellsworth, who is a member of the committee, said that the committee had been studying the matter for some time and had come to the conclusion that it was time the company made some move toward the erection of a new and adequate depot at Sixteenth street station.

PRIZES AWARDED CARNIVAL FLOATS

Efforts of San Leandro Residents to Win Golden Frame Rewarded.

The efforts of the residents of San Leandro to win the golden frame for the best float in the carnival were rewarded last night when the committee announced the results of the contest. The float of the San Leandro team, which was designed and built by the residents of the city, won the golden frame for the best float in the carnival. The float was a beautiful structure, and the residents of San Leandro were very proud of their achievement.

Henderson and Tapscott Tracts

NORTH BERKELEY TERRACE

At San Pablo and Potrero Avenues

Right at the Pullman Shops

\$200

For a Lot--Pay \$5 a Month--No Interest--Taxes Paid for Two Years--Graded Streets--Cement Sidewalks and Water Mains--On Electric Car Line--Key Route Extension Crosses the Tract.

- A guide to the future of residential property is the transportation equipment.
 - Transportation companies are UNDENIABLY the greatest developers of real estate.
 - North Berkeley Terrace enjoys transportation facilities superior to any transbay subdivision.
 - It is as easily reached from San Francisco as from Oakland.
- The Only Hillside Property Between Berkeley and Richmond--The Only Desirable Residential Property Contiguous to the Pullman Shops--Is Completely Equipped With Every Educational and Commercial Convenience--Low Prices--Easy Terms--An Unequaled Speculative Opportunity.

- The Pullman Company is erecting its shops on the low-land adjacent to North Berkeley Terrace.
- Their shops are the vanguard of an aggressive campaign of development by the various railway companies—a number of manufacturers and the Standard Oil Company.
- Thousands of people will be employed by these Corporations—machinists, carpenters, painters, glaziers, chemists, draughtsmen, bookkeepers, timekeepers, office men and executives.

- Along the San Pablo Avenue side for two solid miles runs the Oakland-Richmond electric line; a few blocks south the Southern Pacific electric extension is being rushed to completion. The Santa Fe right of way crosses the tract, as does the Key Route electric extension.
- There is up-to-date car service—up-to-date equipment and up-to-date in point of running time and schedule. It is the most efficient service to be found in Alameda county.
- Their logical home site is North Berkeley Terrace, absolutely the only hillside property in the vortex of expansion between Berkeley and Richmond.
- Every convenience and necessity usually found in a Metropolitan community is at hand in North Berkeley Terrace—schools and churches are on the tract—across the street is a postoffice and near by is a park and picnic ground.
- North Berkeley Terrace leaves nothing to be desired as a permanent residence site—as a speculative opportunity it is one of unparalleled promise for the early investor

COUNCIL AGITATES MOTORCYCLE LAW

Would Stop Scorching in Oakland by Ordinance, Enforcement and Punishment.

The way for a future State law for the regulation of motorcycles was paved by the ordinance and legislative committee of the city council last night when they passed an ordinance to stop scorching in Oakland by ordinance, enforcement and punishment.

The ordinance provides that every owner or rider of a motorcycle shall be compelled to purchase a license and number for his machine. The ordinance was passed by a vote of 10 to 2. The ordinance was passed by a vote of 10 to 2. The ordinance was passed by a vote of 10 to 2.

Arrested for Larceny Cook Charges Battery
SAN FRANCISCO June 17—Timothy J. Mahoney, a cook, was arrested last night for larceny and battery. He was charged with stealing a silver watch and a gold chain from a woman. He was also charged with battery on the woman. He was arrested by police officers and taken to the police station.

Looking for Peace With Big Shippers

CHICAGO June 17—George W. Perkins of J. P. Morgan & Co. New York was in Chicago yesterday renewing his efforts to bring about peace between shippers and the railroads.

Out-in-the-Open Piano Selling

There is nothing in our method of piano selling that needs hiding. There are no tricks in our trade, no devices or schemes, no deception or unfairness. No pianos with us are marked in other than plain figures, and these figures are the lowest at which pianos of equal quality can be bought in any city, East or West.

From the smallest of beginnings our business has grown to be the largest in the West. These are the reasons: Fair, straightforward business methods, better pianos at lower prices and an absolute guarantee of satisfaction to each and every purchaser, whether the piano bought be the highest or the lowest priced in our great stock.

There are no better pianos than we show. No line in the West offers the opportunity for comparison, and no house is so painstaking in protecting the buyers' interests. Here are some of the makes shown: Knabe, Mason & Hamlin, Hardman, Conover, Krakauer, Packard, Ludwig, Harrington, Wellington and many others. In Player-Pianos, the Knabe, Emerson and Angelus pianos; the Conover, Carola and Kingsbury Inner-Players; the Hardman and Harrington Autotones, and the Milton Invisible. You cannot, in justice to your own interests, afford to buy without first seeing our stock.

We are now prepared to meet all demands in sheet music. We are selling all of LILY LEVY'S clever song hits, as sung by her at the Orpheum this week:

"I Wish I Lived Next Door to You."
"The Beautiful Sea."
"Won't You Be My Husband?"
"When the Lights Are Low."
"Have You Got Another Girl at Home Like Mary?"

In our Talking Machine Department we have the Victor Talking Machines, Records and Udele Cabinets.
Easy payments.

CHINESE DASH FOR LIBERTY

Mutiny on British Steamship Results in Many Narrow Escapes.

PHILADELPHIA, June 17.—A mutiny on board the British steamship Highland Monarch, outward bound for Auckland, New Zealand, followed by a dash for liberty by a dozen Chinese, members of the crew, resulted in the drowning today of four and the narrow escape of three others.

The men rescued are in a police station, while the remainder of the ruffians are in irons aboard the ship.

CHINESE OBJECT.

The trouble started last night. The Highland Monarch had been lying in the Schuylkill river at Point Breeze for three weeks, loading case oil for New Zealand. As the United States immigration laws place a fine of \$500 on the captain of a steamship for every Chinese member of a crew that escapes, the twenty Chinamen aboard were not permitted to leave the vessel while the other twenty men in the crew were being liberal shore leave.

As the ship is to sail today one of the Mongolians asked for permission to spend a few hours on shore. Being refused the Chinaman drew a knife and chased the first mate about the ship. The man was tripped by a white member of the crew and in falling cut himself.

PLACED IN IRONS.

He was placed in irons and an hour later almost every Chinaman made a break for liberty. The Englishmen were on the watch, however, and a hand-to-hand fight followed which resulted in the Chinese being overcome and forced back on the ship.

Shortly after 7 o'clock this morning the Highland Monarch got under way with the Chinese in the stoke hold firing the boilers. As the steamship was passing through the Delaware at Philadelphia, Perry bridge a dozen Chinese appeared above the deck and several of them leaped overboard.

FOUR SINK TO DEATH.

Captain Woods, who was on the bridge, stopped the ship and ordered a crew to man a boat. The whistle he sounded attracted the bridge tender, who threw the swimmers rope, which they refused to catch. In the struggle for liberty the men had to fight the strong tide and four of them sank before reaching shallow water. The other three just managed to reach shore.

BURGLAR BATTLES WITH WATCHMAN

Downs Officer in Fight With Microscopes; Police Arrive in Time.

NEW YORK, June 17.—One of the laboratories of the Cornell university medical school here was the scene early this morning of a desperate battle between a burglar and one of the watchmen employed by the school. The watchman, James Mahoney, was seriously injured in the encounter.

According to the watchman's story, the intruder was using his pockets with costly microscope lenses from a cabinet when Mahoney, making his early morning rounds, flashed an electric pocket lamp in his face. The stranger, who was unarmed, seized a \$500 brass microscope from a shelf and hurled it with all his might at the watchman. Mahoney dodged, slipped, recovered himself and clinched with the intruder. The latter was of powerful build and in spite of a rain of blows from the watchman's club, he soon had Mahoney on the floor, pummeling and kicking him.

CRIES ARE HEARD.

Mahoney's cries for help were heard just in time by a passing policeman, who vaulted from the street to a window ledge and jumped into the dark laboratory, smashing the plate glass window as he dived into the room. He gripped the burglar at the wrist, and a struggle ensued at the man's ear, while Mahoney snapped a pair of handcuffs over his wrists.

When searched at the police station, the burglar was found to be a young man named John J. W. Redding, who was arrested on an inside pocket was a love letter written to him from the "bombs prison" by a young woman recently arrested on charges of larceny.

BELIEVE NEGRO OLD OFFENDER

Mrs. Redding's Assailant Once Escaped Jail While Under Same Charge.

SEATTLE, June 17.—Nathan Bladner, the negro soldier held in connection with an attack made up Mrs. J. W. Redding at her home near Port Lawton recently, is believed by Prosecuting Attorney Fred Shodgrass of Arapahoe, Okla., to be the same man who escaped from a city in that state a few years ago when he was arrested on a charge similar to the one upon which he is now being held.

A letter received today by the prosecuting attorney from the Oklahoma officer it is said that the negro who broke jail at Arapahoe answers the description of the man under arrest here and that he has given his name as Nathan Bladner. The local authorities have forwarded photographs and a complete description of Bladner to the Oklahoma prosecutor.

Bladner denies that he is the man wanted in Oklahoma, but admits that he was in that state with the Twenty-fifth Infantry about four years ago.

James Patten Indicted For Bull Cotton Pool

New York Grand Jury on Trail of Men Responsible for Pit Excitement

NEW YORK, June 17.—Frank B. Hedges, William B. Brown and Eugene Scates were indicted this afternoon on charges of conspiracy in connection with the recent bull cotton pool in cotton.

James A. Patten and Maurice H. Rothchild were also named in the indictments. Bail was fixed at \$5000 each and the defendants were given three days to qualify.

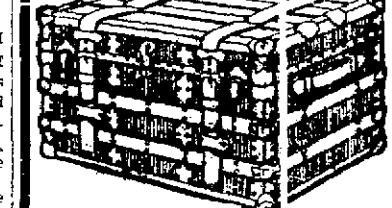

Cheyenne Wires "Tex" It Wants Big Fight

CHEYENNE, June 17.—The Cheyenne Athletic Club, a syndicate of local sportsmen who claim they have plenty of money to back up the project, have wired Tex Rickard an offer to pull off the Jeffries-Johnson exhibition here on Roosevelt day of the frontier celebration if the fight was postponed until August 24. The plans contemplate the construction of a big arena, the frontier grounds, where the wild west celebration is to be held.

AVIATOR IS NEAR DEATH IN WRECK

Flange of Airship Propeller Breaks Loose and Hurtles Through Air.

BERKELEY, June 17.—As the monoplane constructed by Leland Bryan and Louis Fortney was being bridleed from a big field in West Berkeley in which it had been built, the heavy cast-iron flange on the propeller was torn apart by the heavy tension and sent whirling through the air for a distance of more than half a block, threatening the lives of hundreds of spectators who had gathered to witness the first flight of the young aviators. The machine was wrecked by the accident, and Leland Bryan, who was about to make the flight, escaped death by a mere chance, as the heavy iron was hurled through the air within a few inches of his head.

Bryan seated himself in the car, and the motor was started. The blades of the propeller began revolving at a terrific rate, the motor buzzing and the fans whirling and the machine tugging at the restraining hands of the assistants. Then the car came to let go and the monoplane glided out across the field, rising gradually from the ground.

It was when the birdlike ship had gained but a few feet in its upward flight that there was a crash, and a huge piece of metal was seen to tear itself from the machinery, rip its way through one of the outstretched wings of the monoplane and hurtle through the air over the heads of the crowd of 400 spectators to a distance of 150 yards before striking the earth. Had the accident happened when the machine was in the air, it would have revolutionized the casting would have crushed it way through the packed crowd of spectators surrounding the machine.

The car dropped back to the ground, wrecked and spoiling the work of two months on the part of Fortney and Bryan. In addition to the flange of the propeller, the nose of the body of the craft was splintered and the machinery somewhat damaged.

Buy Model Farm For High School Boy

BERKELEY, June 17.—On plans mapped out by Professor Leroy Anderson, the Berkeley high school is to have a model farm in conjunction with the school, twenty acres having been purchased on the advice of the university savant for the purpose of creating a comprehensive scheme for applying the course of practical instruction in the state high schools by the addition of agriculture to the curriculum.

Bank Will Occupy Annex in Berkeley

BERKELEY, June 17.—The only system, used in many banks in Eastern cities, is to be installed in the First National Bank of Berkeley when that institution begins occupying its new annex Monday morning. By the new system the paying and receiving windows are combined, each constituting a little bank by itself. As business increases, new windows are opened. The annex will double the floor space of the bank.

ALAMEDA SETTLES BIG DAMAGE SUIT

Pays Martial Davoust \$5000 for Wife's Electrocution, After Long Time.

After litigation running through a period of more than ten years, during which the case was twice carried to the Supreme Court on appeal, the suit of Martial Davoust against the city of Alameda to recover \$50,000 damages for the death of his wife was settled out of court today in favor of Davoust for \$5000.

Shortly before the city of Alameda purchased its electric light plant from a private corporation Mrs. Davoust was killed near her home by coming in contact with a grounded wire. Before her husband could sue the private corporation for damages it sold out to the city, so the municipality was made defendant in the action instead.

CASE BEGAN IN 1898.

The case was begun in 1898 and the municipality went to court on demurrer, holding that the contract had no standing. For the reason that the city was not owner of the plant at the time the family was killed, the case was upheld. Plaintiff appealed to the Supreme Court from Judge Green, holding that when the city of Alameda took over the lighting plant from the private corporation it assumed all of the liabilities and obligations of a private corporation or individual.

Time passed and finally the suit was given a jury trial before Superior Judge Pillsbury. The jury returned a verdict of \$5000 in favor of Davoust. Judge Pillsbury erred in one of his instructions to the jury and the city of Alameda made a motion for a new trial. The motion was denied. Then it gave notice of appeal, and this was pending at the time of the settlement which has just been recorded.

Renews Allowance To Baldwin's Widow

LOS ANGELES, June 17.—Judge Rives of the Probate Court yesterday renewed the allowance of \$3000 a month to the widow of the late E. J. ("Lucky") Baldwin. It is original order stated that it remain in force until the filing of the inventory of the estate.

The appraisers having performed their work and the inventory being before the court showing a property valuation of \$11,000,000, it became necessary to renew the order for the allowance.

Three Are Wounded In New Mexico Duel

RATON, N. M., June 17.—As a result of a revolver duel last night between Jose Roibal, a storekeeper, and Elmo Nunez, Nunez is dying with a shot in the abdomen. Mrs. Roibal has a wound in her hand and Roibal himself has a broken leg through his left arm.

Roibal was awakened early this morning by Nunez, who was forcing his way into the store. Roibal asked what was wanted. Nunez demanded money and the shooting began.

HER PHYSICIAN APPROVES

Taking Lydia E. Pinkham's Vegetable Compound

Sabbath, Maine.—"You told me to take Lydia E. Pinkham's Vegetable Compound and Liver Pills before child-birth, and we are all surprised to see how much good it did. My physician said 'Without doubt it was the Compound that helped you.' I thank you for your kindness in advising me and give you full permission to use my name in your testimonials."—Mrs. H. W. MITCHELL, Box 3, Sabbath, Me.

Another Woman Helped. Graniteville, Vt.—"I was passing through the Change of Life and suffering from nervousness and other annoying symptoms. Lydia E. Pinkham's Vegetable Compound restored my health and strength, and proved worth mountain of gold to me. For the sake of other suffering women I am willing you should publish my letter."—Mrs. CHARLES BARCLAY, R.F.D., Graniteville, Vt.

Women who are passing through this critical period or who are suffering from any of those distressing peculiarities to their sex should not lose sight of the fact that for thirty years Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

Taft Sure Statehood Is Already in Sight

Representative Hamilton Promises to Urge House to Accept Bill Without Conference.

WASHINGTON, June 17.—President Taft took up today the task of obtaining statehood for New Mexico and Arizona, which the leaders of Congress have transferred entirely to his shoulders.

He sent for several of the House leaders, including Representative Hamilton, chairman of the committee on territories.

When Mr. Hamilton left the White House it was with the promise that he would do all he could to have the House accept the Senate statehood bill without a conference.

RESCUES ALAMEDA YOUTH FROM TREE

Fire Department Comes to Rescue of Ten-Year-Old Ernest Losie.

ALAMEDA, June 17.—The Alameda fire department turned out for the most unique call in its history this morning, when its ladders were sent to the rescue of 10-year-old Ernest Losie, who was perched high in a cypress tree and unable to make a safe descent to the ground.

Seeing an owl in the tree at Park and Central avenue, the little boy climbed to the top and sought to capture the bird, and in his futile attempts crossed from the cypress to a tall eucalyptus tree.

The branch of the cypress breaking as he was safely located in the eucalyptus tree, he was unable to get back. Screaming for help, he attracted the attention of Frank McCauley, a nearby policeman.

THE CAUSE OF NEURALGIA

Must Be Understood Before the Disease Can Be Cured So That It Will Stay Cured.

The reason that neuralgia so often recurs after the ordinary treatment is not because it is incurable but because these treatments fail to remove the cause. Neuralgia has been correctly called the cry of the starved nerves for better blood. Its most common cause is debility. In every case of neuralgia it will be found that the general health is run down and that consequently the nerves are not receiving sufficient nourishment. Cold, dampness and decayed teeth are sometimes indirect causes but only to the extent that the body is unable to resist, owing to its debilitated condition.

Dr. Williams' Pink Pills afford the most effective treatment of neuralgia. They build up the general health and fully nourish the starved nerves. In the only possible way by building up and purifying the blood.

Mrs. Thomas Scott, of No. 211 Jackson street, Redwood City, Cal., who was cured of neuralgia, says:

"Dr. Williams' Pink Pills helped me right away and in a short time completely cured me of neuralgia. I had been suffering for nearly a year from neuralgia in my head. The pains were sharp and cutting and were through my temples and the back of my head. They were worse whenever I was out in the wind or night air. I suffered great deal and many times I could hardly keep up. I was also troubled occasionally with cramps in the stomach."

"I was led to try Dr. Williams' Pink Pills through reading about them in a newspaper. I found them a great relief and was entirely cured. I now keep them in the house and always recommend them to my friends."

Neuralgia is an unfailing warning that the nervous system is feeble because there is a lack of pure red blood and, therefore, a lack of nourishment to the nerves. This dependence of the nerves upon the blood for their nourishment and health is fully described in our booklet, "Disease of the Nervous System," which will be sent free upon request. Dr. Williams' Pink Pills have also cured eczema, St. Vitus' dance, partial paralysis and locomotor ataxia.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Salem, Mass., U. S. A.

ATTORNEY KINARD TAKES LAST STAND

Admits Using Mrs. Lamprell's Money, But Pleads Statute of Limitation.

When Assistant District Attorney Hynes closed the State's case this morning in the prosecution of Attorney C. K. Kinard for embezzlement, the defendant, appearing as counsel in his own behalf, asked Superior Judge Ogden to instruct the jury to return a verdict of acquittal, setting up the plea that the alleged crime had been outlawed by the statute of limitation.

Kinard occupied most of the day arguing on the technicality which he hoped would save his case. He admitted that subsequent to October 25, 1905, and under a general power of attorney given to him by the prosecuting witness the day before that date, he appropriated \$4000 of the money which he admitted had been entrusted to him by her. The information charging him with embezzlement was filed on March 25, 1910, more than three years after the alleged commission of the crime, hence Kinard's claim that it was outlawed.

Mrs. Lamprell revoked Kinard's power of attorney on November 27, 1907, and on the 10th day of the following December she made written demand upon him for all of her money. Then, in course of time, followed the prosecution of Kinard. Assistant District Attorney Hynes took the stand today that in view of the fact that up to November 27, 1907, Kinard held Mrs. Lamprell's money, and that she did not consider it wrong to use it for the purpose of the prosecution, the information alleged that the embezzlement took place on the 27th day of November, 1907, when Mrs. Lamprell made her demand. This being the case the statute of limitation could not apply.

Wants to Find Good Home for Four Girls

The following communication has been received from the Alameda County Detention Home:

"In the Alameda County Detention Home in Oakland there are at present four girls, between 14 and 16 years of age, whom Assistant Probation Officer Miss Beatrice A. McCall wishes to place in good family homes. Miss McCall says that she does not consider wages so much an object as good, womanly influence, and that she will be glad to meet any woman who are willing to give these and other girls homes and clothing in exchange for their services, and be solicitous for their moral welfare and interested in their pastimes."

"Many of these girls are in Miss McCall's care, merely because they have no homes, or have improper home surroundings. Homes in the country are especially desirable."

Miss McCall declares that this way of placing girls has been productive of excellent results, and she is proud of many of her girls, who are a credit both to the probation work and to the good women who are helping them to lead normal, womanly lives.

"Women who are willing to accept these girls, whether at present or in the future, are requested to write to Miss McCall at once, at the Probation Office, 413 Nineteenth street, or to call any day but Saturday or Sunday, between 3 and 5 o'clock."

BELIEVE MISSING MAN IS DERANGED

Family of E. P. Morgan Think His Mind Turned by Worry Over "Persecution."

BERKELEY, June 17.—That E. P. Morgan, real estate dealer of Oakland and San Francisco, who mysteriously disappeared last Monday morning, is mentally deranged, is the belief of a number of his friends and relatives. A search of the hospitals and police stations and a canvass of all his friends has been unavailing in tracing the missing man, yet it is not thought that he is the victim of a foul play.

A mysterious circumstance in the search for Morgan is the fact that he was recognized in Berkeley within two blocks from his home two mornings after his disappearance. Morgan has resided with his family in Berkeley for about a year and recently moved to 1333 Grant street in North Berkeley. He disappeared from his home last Monday and since then nothing has been heard from him, although the police of the bay cities have been notified of his disappearance. Wednesday morning at 5 o'clock Mrs. John Ogden, who conducts a grocery store at Rose and Grove streets in North Berkeley, was on duty when Morgan boarded the ward Berkeley when Morgan boarded the car. She knows him well and declares that she could not have been mistaken. They bowed to each other, but did not speak, sitting opposite to each other in the car. Mrs. Ogden did not notice whether he was still in the car when she left it at University avenue.

It is partly on this circumstance that his wife bases her belief that Morgan is troubled with some form of mental derangement. She says that he was worried at what he termed the "persecution" of Mrs. J. C. Morgan, his sister-in-law, to whose husband he owed \$200.

PREFERRING WEST, SUES FOR DIVORCE

Frank T. Powers Asks Decree Because Wife Likes Old World Best.

SAN FRANCISCO, June 17.—"While I love the West and want to be a part of it, my wife is discontented and prefers the decayed civilization of the Old World," declared Frank T. Powers, attorney and author, who is suing his wife, Jane G. Powers, for divorce on the charge of desertion and cruelty.

Powers is at present domiciled in the Stinson-street home, where three of the children are with him. The other, Albert, he sends with his mother, and the father contends that he does not desire the child to be raised under the conditions which now surround him, but prefers him "to be raised in the West, to be a Western gentleman and no dandy."

"My wife," said he, "prefers a bit of antique furniture or an aged piece of jewelry to a modern diamond sunburst."

Mrs. Powers left this city six months ago and went to live with her sister, Mrs. Richardson-Sutton, wife of the author, in New York. When she left her husband told her that if she did not return by the first of May he would sue for divorce, and he has been true to his word. The couple were married in New York October 15, 1891.

After a Hard Game of Golf

PERSONALS

A merchant would not think a woman very wise who purchased a yard of silk for a gown that she needed, even if it were very fine silk. Nor is the merchant likely to purchase a column of advertising space than he needs even if it is very fine advertising space—and costs.

ANY poor girl in need of a friend or home of advice is invited to call or write the matron of the Salvation Army Home, 3404 Broadway, Oakland, Cal. Phone Merritt 3227.

HAVING sold my interest in the Union Grove market, 46th and Grove, I will not be responsible for any bills connected with said firm on or after this date June 14, 1930. Customers can pay bills my place when Market 1599 Grove. BEN VAI PREDA.

GAY Consumers Ass'n reduces your bill 15 to 20 per cent. 158 12th st.

L. S. CLARK, attorney-at-law, 351 Jackson St. Consultation free. Open evenings.

MISS F. M. MAYNARD, electrolysis, 12th and Broadway, phone 4654. 12th over Chinn Beretta's phone Oak 839.

MAGNETIC and medical massage, 605 10th st. Mrs. Johnson trained nurse.

UNCALLED for suits trousers and overcoats at 12th and Broadway at Chas. Lyons, 12th and Broadway, 12th and Broadway, 12th and Broadway.

GRADUATE MASSEUR

ALBERT TRUBER - European - trained masseur. Refers to Dr. Crowley, Dr. Egan and Dr. Hamilton. Treatment 2308. Gives treatment at your home.

BATTY CRICK SANTARUM, trained masseur will give treatment at your home. Phone Merritt 2172.

Electrolier Smashed By Fractious Team

The electric light in the northwest corner of Seaton's store and Emporium was broken and a few pieces of it struck the north glass pane of the Pennell and Pugh store. The broken bits of the electric light were the cause of young horse killing the man lying on the ground.

The master's castle with its globes, and all a crash to the sidewalk and fragments of the broken glass were flying in all directions. A very peculiar, struck by infant particles of both materials. One of the victims was Police Officer George Doolin, who was standing at the intersection of the street and the sidewalk. A piece of glass from one of the shattered globes struck and lodged just in front of his left eye.

FINAL DECREES ENTERED

Attention is drawn upon which Court Clerk has obtained in the Superior Court an interlocutory decree of divorce from William P. Calkins. Final decrees are being entered in the following cases: To Lucy P. from Diederich Janssen cruelty to Anna from Charles J. Perlman desertion.
